

Queen Mary Mourned By Britain; No Delay In Coronation Show

By PHILIP CLARKE

LONDON (AP)—Britain's grand old Queen Mary died peacefully in her sleep last night at the age of 85. Around the world, millions mourned her.

Her passing was not expected to delay the coronation June 2 of her granddaughter, Queen Elizabeth II. The decision is the young Queen's, but her stern-willed old grandmother told friends months ago, while talking of the ceremony, that "nothing must interfere with it. Nothing."

Ill For Month
Queen Mary had been ill for more than a month with what her

doctors described as a gastric ailment. The exact nature of her illness has not been disclosed.

Prime Minister Winston Churchill gave the hushed House of Commons—and the world—the first news of her death last night.

Holding a single sheet of white paper in his trembling hand, the dinner-jacketed government leader said in a voice breaking with sobs:

"Mr. Speaker, I rise to move adjournment of the House. I have with great regret to make the announcement that Queen Mary has died."

Last Bulletin Posted
A few cries of dismay from public galleries broke the quiet.

Churchill told the House he would make an address of condolence to Queen Elizabeth today, then ask adjournment for the day "as an expression of our profound sorrow and respect."

In Ottawa, Prime Minister Louis St. Laurent announced the death to the Canadian Commons and that House also adjourned.

As Churchill spoke, a solemn attendant a few blocks away posted the fourth and last medical bulletin of the day on the gates of Marlborough House.

Edged in black, it said simply: "While sleeping peacefully, Queen Mary died at twenty minutes past ten o'clock."

Symbol of Royalty
Four generations of Britons who knew and loved her as the proud symbol of royalty paid their tribute. Throughout the far-flung British Commonwealth, with 575 million inhabitants, flags were dipped and minutes of silence observed.

President Eisenhower sent his deep personal sympathy and recalled: "Queen Mary was a good, great queen. Free peoples the world over will mourn her loss."

Similar expressions from other chiefs of state poured in to her monarch-granddaughter at Buckingham Palace.

"She was like your own grandmother," said one of the mourners who crowded in silence about her.

Soviets Repeat Peace Appeals

President Favorable

Capehart's bill would give the President power to slap on price, wage and rent ceilings for 90 days in a declared war emergency. During that period, Congress would presumably decide whether to enact comprehensive controls legislation.

The President has ended all post-Korea price and wage controls and says he does not want renewal of sections of the Defense Production Act covering them. Those sections expire April 30.

However, he has said he wants extension of (1) authority to ration metals and the other scarce materials needed in defense production and (2) authority to curb rents in areas where housing is critically short because of defense work.

Reuther Has No UAW Opposition

By GLENN ENGLE

ATLANTIC CITY, N. J. (AP)—It was a far cry from other days today when Walter Reuther and his three top aides in the CIO United Auto Workers faced only token opposition—if any—in their bids for re-election.

As the auto workers international convention went into its fourth day the only question about the reelection of the four head men appeared to be whether the feeble Reuther opposition would put up a candidate to force a three-hour roll call and prevent their choice by acclamation.

The 45-year-old Reuther, now seeking his fifth term as president, was first elected here in 1946. His then-powerful opposition, however, won all the other three offices.

Consolidating his position, Reuther was able to carry his hand-picked slate of Emil Mazey for secretary-treasurer and Richard T. Gossier and John W. Livingston for vice presidents in with him in 1947. The same foursome then was re-elected at conventions in Milwaukee in 1949 and Cleveland in 1951.

Mistake To Retire

WASHINGTON (AP)—Demands that Gen. James A. Van Fleet be kept on active duty came today from Senators Byrd (D-Va.) and Hunt (D-Wyo.).

The two members of the Senate Armed Services Committee said it would be a serious mistake to let Van Fleet retire this month as now planned.

Eisenhower Weighs War Problems With 36 French Officials

By JOHN SCALI

WASHINGTON (AP)—President Eisenhower and his top aides were prepared today to launch a series of important talks with the visiting 36-man delegation of high French officials headed by Premier Rene Mayer.

During a three-day conference beginning today, Mayer reportedly plans to review nine key world problems—and try to line up more American military and economic aid for France and Indochina.

Vice President Nixon and Secretary of State Dulles head a big welcoming party to greet the French Premier.

Faster Action Wanted

House Of Death Yields 4 Corpses

LONDON (AP)—Discovery of a fourth rotting female corpse to day in a London "house of death" apartment spurred a Scotland Yard hunt for the quiet little clerk who had rented the lodging.

The bodies of three women were found walled-up in a pantry in drab Notting Hill district yesterday. The fourth, like the first three still unidentified, was under the floorboards of the same room.

One of the dead women was believed by police to be the wife of the central figure in the general manhunt underway—55-year-old John Christie, the last tenant of the apartment.

A police post-mortem indicated the first three women found—aid between 25 and 30 years old—had been strangled.

Three of the women were believed to have been dead several months, and the other a few weeks.

A prospective tenant for the Christie apartment Tuesday found a pantry niche which had been closed off with several thicknesses of wallpaper. When he broke through the paper he found the nude body of a woman. He called police who found the other corpses.

Fred Alger In Line For Ambassadorship; May Go To Belgium

WASHINGTON (AP)—Fred M. Alger, unsuccessful Republican candidate in Michigan's 1952 gubernatorial election, today was reported under consideration for appointment as United States Ambassador to Belgium.

Administration officials said yesterday that Alger was among a number of persons being considered for diplomatic posts. Although Alger was mentioned specifically in connection with Belgium, officials said that another post might be offered him.

Red-Dirt Korea Peak Scene Of Savage Battle

By GEORGE A. McARTHUR

SEOUL (AP)—Fighting in a rain of American fire, Chinese Reds broke up a two-pointed U. S. attack today in the bloody trenches of Old Baldy.

At nightfall the Americans were back where they started, about 125 yards down the bare, windswept western front hill.

Vicious and Deadly
The fighting, now in its third day, was vicious and deadly.

One officer said the Americans drew Red fire "every time they popped their heads up."

As darkness fell, infantry fighting eased off while the big guns of both sides slugged it out.

The Reds swept over Old Baldy Monday night and the Americans have been trying to get it back since.

Gen. Maxwell D. Taylor, commander of the Eighth Army, flew to the front today to watch from a forward observation post. This is the first big action since Taylor succeeded Gen. James A. Van Fleet six weeks ago.

Nothing Lacking
Trudeau told Associated Press correspondent Stan Cartier, "We have no doubt we will retake Old Baldy and soon, but we want to do it in a well planned operation and not throw away lives."

Trudeau said his men lacked for nothing—including ammunition—in the brutal fight for Baldy, which he termed a "fortified position or the roughest kind."

Kendall, however, showed obvious displeasure before newsmen at the slow progress of U. S. counter-attacks, which so far have gone nowhere against the dogged Reds.

Since the attack began Monday (Please Turn To Page 6, Col. 7)

Chrysler First To Cut Prices

DETROIT (AP)—Chrysler Corp. cut the prices on all its cars and trucks today.

The automobile company, one of the "Big three" of the car industry, said the government's abandonment of price controls was a factor in its decision.

It was the first major price change in the auto industry since the removal of controls.

To the industry it came as something of a surprise in view of recent increased manufacturing costs.

The cuts range from \$67.50 on four-door cars in the moderate-price field up to \$278.40 on one deluxe model. All cuts are on the factory retail prices at Detroit.

Truck prices also were cut. Chrysler said these average \$40.

President L. L. Colbert of Chrysler cited an increase in recent production by his company as compared to production last year under price controls. He said there has been a 32 per cent increase.

Communist Party No Place For Laughs, Radio Writer Says

LOS ANGELES (AP)—A radio comedy writer says the Communist party is a dull outfit and no place for a man looking for laughs.

Hearings of the House Un-American Activities Committee were enlivened yesterday by such observations from Max Benoff, 38, a writer for the "Life With Luigi" radio show.

The committee is conducting hearings this week in continuing its probe of possible Communist influences in the movies and other fields.

Benoff said he attended some Communist party meetings in Hollywood during 1944 but as far as he could remember never signed any card or paid any dues.

"I attended very few meetings," he said. "They were dull. I didn't

expect to get laughs everywhere but I didn't get any there."

Committee Counsel Frank S. Tavenner Jr. commented that he had heard Communists were rather humorless individuals. "Well, I never wrote any of their material," was Benoff's observation.

Last Barrier Lifted To OK Bohlen For Ambassador To Russia

By JACK BELL

WASHINGTON (AP)—Reassurance by Senators Taft (R-Ohio) and Sparkman (D-Ala.) today appeared likely to remove the remaining barrier to lopsided Senate approval of Charles (Chip) Bohlen to be ambassador to Russia.

President Eisenhower nominated Bohlen Feb. 23. The State Department sought quick Senate confirmation so he could be speeded to Moscow to watch developments in the wake of Joseph Stalin's death.

But action has been delayed by the bitter opposition of an admitted small minority of the Senate.

Taft and Sparkman made a three-hour study at the State Department yesterday of a 25-page summary of an FBI loyalty and security investigation of Bohlen,

and they were ready to report to the Senate shortly after it convenes today.

Taft said he preferred to consult other members of the foreign relations committee before officially stating his findings. But the Ohioan, the Senate's majority leader, said he found nothing in the summary not reported previously by Secretary of State Dulles. Dulles had termed Bohlen "a good security and loyalty risk."

Sparkman, the 1952 Democratic vice presidential nominee, said he is standing by his previous support of Bohlen. The foreign relations group yesterday selected him and Taft to study the FBI report after Sen. McCarthy (R-Wis.) contended it contained much derogatory material.

Carey was defeated in an attempt to repeal the "death penalty" disqualification under which a worker who quits one job, takes another and then is laid off finds he has sacrificed all benefits coming to him under the first job.

Rep. Howard R. Estes (R-Birmingham), author of the bill, fought off all amendments almost single-handedly.

He said no increase in benefits is necessary because Michigan now leads all states in the field.

unsuccessful attempt to raise the base maximum benefits from \$27 LANSING (AP)—A bill extending unemployment compensation six weeks and revising employers' contributions was bludgeoned through the House yesterday over strong Democratic objections.

Passed 64-27, the measure increases the duration of benefits to 26 weeks and set up a new "merit rating" system of contributions which permits contributions of employers with the lowest layoff records to fall as low as .1 per cent.

The Democrats, charging a sop had been thrown to workers to sweeten a reduction of the burden on employers, blocked immediate effect and said privately they would urge Gov. Williams to veto the measure.

"The benefits to employees are negligible," said Rep. Ed Carey (D-Detroit), minority floor leader, "but to the employers considerable. If we are going to General Motorize Michigan, I am not going to be a party to it."

He said the new contribution system would save General Motors alone \$1,000,000 a year.

The Democrats were joined by Reps. Gerald W. Graves of Alpena, James Goulette of Iron Mountain, Hugh D. Johnston of Rosebush and Louis C. Cramton of Lapeer, all Republicans, in an to \$29 a week.

Hopeful Delegates Await Vishinsky's Return To U. N.

UNITED NATIONS, N. Y. (AP)—The continuing bitterness of debate on every deadlocked East-West issue tempered the hopes today of some U. N. delegates that Russia's Andrei Y. Vishinsky may bring back some sign of Soviet conciliation from his high-level talks in Moscow.

On nearly every issue now confronting the U. N., delegates have felt that Soviet policy cannot be fully and finally appraised until Vishinsky comes back from his consultations with the post-Stalin regime in the Kremlin. He is due to arrive in New York tomorrow aboard the liner Queen Mary.

The voices of Soviet bloc representatives have been as vitriolic as ever in their attacks against the United States during recent debates. They have given no hint that Soviet Prime Minister Georgi M. Malenkov's recent "peace talk" bodes an easing of world tensions.

Found Shot To Death

CHEBOYGAN (AP)—Police reported as suicide the death Tuesday of Louis Ransom, 39, father of two children. Ransom, a telephone repair man, was found shot to death in his garage. He had been ill. He had fired a shotgun into his abdomen, police said. He leaves his wife and two boys aged 14 and 15. The funeral will be in this native Traverse City.

Opinions Differ On Arbitration In Labor Disputes

By NORMAN WALKER

WASHINGTON (AP)—The U. S. Chamber of Commerce today opposed compulsory arbitration of national emergency labor disputes.

A day earlier, such arbitration of disputes big enough to threaten national safety had been proposed by a top AFL union leader.

Powell C. Groner, president of the Kansas City transit system and spokesman for the Chamber, told the Senate Labor Committee that invoking compulsory arbitration is inconsistent with collective bargaining. Under compulsory arbitration, a dispute is referred to a third party or board, whose decision is binding on the disputants.

No Way Of Settling
The House Labor Committee received testimony yesterday from Al J. Hayes, president of the AFL's International Association of Machinists, recommending compulsory arbitration as a method of settling big strikes threatening the nation's health or safety.

Under the present Taft-Hartley law such strikes can be held up by 80-day court injunctions, but there is no method of settling the basic employer-union disputes involved. The committee is considering proposals for changes in the law.

Hayes said that rather than the 80-day injunction method he would allow the President of the United States to name an emergency board composed of public, labor and management representatives to hear the issues and recommend settlement terms binding on both sides.

Must Be Voluntary
Groner said in his prepared statement:

"Voluntary arbitration procedures assure both parties the freedom to enter arbitration or not, as they choose. These are a valuable aid to normal collective bargaining, and the agreement to arbitrate is itself the result of bargaining."

"Compulsory arbitration, whether in national emergency situations or elsewhere, must be recognized and opposed as the end of true collective bargaining."

Groner said antitrust laws should apply to labor leaders and unions, exercising what he called "monopolistic powers." But he cautioned that the Chamber does not consider all large unions or multi-employer bargaining relations as wrong or needing curbs.

Soldiers Get Close To Atomic Blasts

LAS VEGAS, Nev. (AP)—Military men are getting downright chummy with atomic blasts, having ventured safely within less than a mile and a half of one.

Nine daring volunteers who huddled in five-foot trenches 2,500 yards from yesterday's detonation

thus were closer than any humans since nuclear destruction hit Hiroshima and Nagasaki in 1945.

Brig. Gen. William C. Bullock, commander of Camp Desert Rock and military exercise commander, may later be proved right in his claim of last week that troops can survive above ground, lying prone, within two miles of a blast.

It was Bullock who selected four Army, four Navy and one Air Force officer from a group of volunteers for yesterday's close approach. In the civil defense test last week 1,500 troops and military observers and 30 newsmen were in trenches 3,500 yards from the explosion. Yesterday 1,300 troops were 4,000 yards away.

The second shot of the spring series was from a 300-foot tower on Yucca Flat in the vast Nevada Proving Grounds 65 miles northwest of here.

It was accompanied by expanded Air Force participation, 53 planes in all, including 12 B36 bombers which flew near enough to get a jolt from the blast. A Navy AD2 fighter drone plane, controlled by two mother ships, was flown into the thermal envelope or heat waves and back to land safely at Indian Springs Air Force Base.

Shipping To Get Early Opening

CLEVELAND (AP)—The Great Lakes and their ports were stirring from their winter lethargy today, and it appeared the navigation season may be open at the fourth earliest date in recent history.

Most shipping sources were their usual non-committal selves, but a U. S. Steel Corp. spokesman predicted the official opening of the ore-shipping season would be next Saturday. He said a ship from the firm's Pittsburgh Steamship Division expected to pass through the Sault Ste. Marie locks then.

The earliest recent date for ore-boat passage through the locks and the St. Mary's River was March 22 in 1942. The season opened on March 25 in 1945, 1946 and 1949. Last year, the opening was April 3.

The Coast Guard icebreaker Mackinaw has started operations in the St. Marys after escorting the first ships through the Straits of Mackinac.

At Indiana Harbor, Ind., the E. J. Block, and Inland Steel Co. ore carrier, left today for Port Inland, Mich. Another Inland vessel, the Joseph Block, is to begin a similar trip Thursday. The date of E. J. Block's departure was three days later than last year, but a few days ahead of the average for recent years.

Tax Refunds Speedy

DETROIT (AP)—The Internal Revenue Department reported today it has turned back \$51,600,000 in income tax refunds to 745,000 taxpayers as over-payments. The department said it has been making refunds at a rate two months ahead of schedule.

Cite Need For New Escanaba Grade School

Escanaba's need for a new public grade school to serve the rapidly growing southwest section of the city and to relieve overcrowding in other city schools was explained last night at a meeting in Escanaba Junior High School attended by about 60 persons.

The information session prior to the school board issue vote in Escanaba April 6 was called by Dr. Roy Johnson, chairman of the school bond issue committee, and was attended by Board of Education members and school officials.

Those who attended the meeting were requested to talk to others in the community and urge "Yes" votes on the proposal to bond the school district for \$250,000 to finance construction of the new elementary school.

Cost Is Low

It was brought out in discussion that some Escanaba property owners might misunderstand the proposed levy to retire the bond issue and think they will pay more taxes than they really will.

Voters will be asked to approve a bond issue of \$225,000 and a tax levy of not more than \$3 for each \$1,000 of assessed valuation, for not more than 14 years.

Actually, on the city's present valuation, the levy will not be more than \$2.50 per \$1,000 valuation and the bonds will be retired in nine years or less.

The property valuation upon which the levy is based is the assessed valuation as it appears on the assessment rolls—not the cash value of property, which is much higher.

For a home owner whose property is assessed at \$2,500 the grade school bond issue tax would be less than \$7.50 per year—or less than 63 cents a month.

Property owners will find on their last tax bill the assessed valuation of their property, which will reveal how much the proposed bond issue levy will cost them annually if computed at the rate of \$2.50 per \$1,000 valuation over a period of nine years.

Minimum Program

It is proposed to build a functional school building containing seven class rooms—one for each of the grades Kindergarten through Sixth grade. There will, in addition, be a larger multipurpose room, and smaller rooms for a principal's office and school nurse.

Mrs. N. L. Lindquist, vice president of the Board of Education, described the proposed school building program as "the minimum" which can be offered the people at this time.

The new school would serve the growing southwest section of the city and relieve overcrowding at some of the other schools, where some classrooms are now located in basements.

It will be located on a 7½-acre site fronting on Eighth Ave. S. southwest of Royce Park.

Special Education

The property owners will not be asked to share in the cost of special education facilities—an additional five rooms—which will

Students Take Over: EHS Seniors Cope With Escanaba City Problems

Parking meters, paving, taxes, recreation center, snow removal—many of the problems that have to do with the operation of a city today were experienced by a group of Escanaba High School Seniors.

The annual city government day for the Seniors is a part of their studies and is held in co-operation with city officials. The class project is under the supervision of Miss Nina Ley, Escanaba High School faculty member.

The student "city council" in meeting this morning considered (with more or less success) a number of questions that have been considered by Escanaba's City Council—with more or less success.

For Parking Meters

Comprising the student "council" today were Mayor Merit Arntzen, Councilmen Barbara Jensen, Con Michael, Paul Menard and Dick St. Amant.

The young people decided in favor of parking meters for Ludington Street (a matter still to be approved by the City Council) with this reservation—leave them in for six months and if the people do not want them, take them out.

In connection with the meters, the students decided that angle parking should be continued as at present, and that parking meters be combined with the grade school building and financed by a gift of \$150,000 from the late Mrs. Catherine Bonifas.

At the present time special education students are housed in Junior High School and Franklin School buildings.

When the new grade and special education school is built it will relieve overcrowding in Franklin, Junior High, and grade schools in the city.

Although the total cost of the new building is estimated at \$400,000, including the special education rooms, the bond issue will be only for the grade school section costing an estimated \$250,000.

Escanaba's 'Measure'

During the discussion it was brought out that the grade school bond issue proposal is viewed as a "challenge" to the people of the community to provide adequate elementary school facilities for its youngsters.

The Rev. Joseph Dickson pointed out that Escanaba does have the money to build the school, and cited the recent school fund campaign among a portion of the people that raised one-half million dollars to be paid within 20 months for a school that they wanted.

Dr. Roy Johnson, chairman of the meeting, read from a bond issue brochure to be distributed by the Board of Education:

"We firmly believe that the Public School is one of the foundations of American democracy. It is there that the children of all races and creeds learn to work in harmony and with wholesome good will."

ters should also be placed in a parking lot near City Hall.

Extended snow removal to 23rd Street on Ludington was approved, and the students discussed (but, took no action) on the subject of extending sidewalk plowing.

Ride Or Walk

The paving of Lake Shore Drive between South 14th Street and 23rd Street at Sylvan Point was approved by the students.

In connection with sidewalk plowing the students were undecided which walks should be plowed first or why. Some favored plowing the walks leading to the schools first, so the students would not have to trudge through the snow.

"Put yourself in the place of the grownups," objected Councilman Con Michael. "Couldn't the students get through the drifts better than the grownups?"

"If I were grownup I would have a car to ride in," retorted Councilman Paul Menard while Mayor Arntzen rapped to quiet the laughter.

In All Departments

Other discussion centered around the need for a larger community recreation center. Club 314 is all right but there isn't enough space for all the varied activities for young people, it was reported.

This question also collapsed for want of a solution: Where would the additional money come from to build a new recreation center? It was tabled with the comment of Councilman Dick St. Amant: "No matter what you do, you can't please everybody."

Other students in the city's several departments, appointed by Ann Aronson (daughter of City Manager A. V. Aronson) were discussing the same answer. They were working with the police, firemen, city clerk, treasurer, assessor, and in the several utilities. Nancy Farrell was appointed city clerk and kept the "council" minutes.

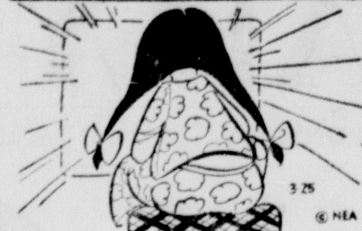

This afternoon the "council" will visit the various departments and utilities to better acquaint its members with city operations.

Class Of '28 Will Meet Here Tonight

A meeting of members of the Escanaba High School Class of 1928 will be held this evening at 7:30 in the news room of the Escanaba Daily Press.

This is the second meeting of the class to make plans for the 25th year reunion to be held July 6. Approximately a dozen members attended the first meeting two weeks ago and it is anticipated that all members of the class residing in Escanaba will attend tonight's meeting.

Those intimate family shows on TV appeal to the type of person who enjoys peeking through keyholes and listening on party lines.

New Cub Pack Holds Meeting

Around 80 members of Cub Scout Pack 413 attended the March pack meeting Monday night in Webster School gym. The newly organized pack is sponsored by Webster School PTA.

Seated before a ceremonial advancement board, Cubmaster William Fisher led the cubs in a candlelit Bob Cat ceremony, after which the cubs' parents presented their sons with Bob Cat pins, the first award in the ladder of cubbing.

Receiving Bob Cat pins were Rodney Benson, Neil Kositzky, James Smarz, William Chartrand, Lewis Clayton, Gerald Curran, James Abramson, Michael Rublein, James Peacock, John Hansen, Kenneth Carlson, Norman La Palme, Phillip Honeywell, Ronald Nardigan, Tommy Randall, Peter Frazer, Douglas Nelson, Donald Provo, William Holmes, Dennis Benard, Roger Derouin.

Terry Derouin, Loren Wangerin, Gary Oman, Wayne Butwright, Lionel Bedumier, Robert Stasewich, David Collegnon, Lauren Jones, Russell Lewis, Stanley Hale Jr., James Jones, James Trotter, Kent McMartin, Gary Wurth, James Moyle, Thor Nelson, Paul Courier, Richard Allingham, Edward Gouin and Dick Bordeaux.

Andy Houston, Scout executive of the Hiawathaland Council, presented Mrs. Edward Briggs, den mother, a certificate and service badge in recognition of her completion of a three-year training program. These were earned while Mrs. Briggs was a member of Pack 506, Kingsford, and represent completed leadership training, successful performance, good turns and more than three years outstanding service to boyhood. Mrs. Briggs is the first woman to claim this award within the Hiawathaland Council. She is in her fifth year of Cub Scout work.

Using den-made microphones, movie cameras, television screens, props and sound effects, five of the pack's dens put on brief skits.

Den mothers and pack committee members served a lunch. In charge of lunch arrangements were Wilfred Chartrand, Michael Smarz and Mrs. Norma Jones.

Women Sick And Tired Of 'Housewife' Label; What'll We Call Them?

By HAL BOYLE

NEW YORK (AP)—The question of the hour, ladies, is what do you want to be known as—housewives or homemakers?

The most desirable feminine career today is unquestionably marriage. The title most women seek and are proudest of is "Mrs."—whether it be Mrs. Jones or Mrs. Throckmorton-Smythe.

But a lot of very happily married women are sick and tired of having to list their occupation as "housewife." They like the job but don't like the tag.

Not Enough Dignity

They feel it doesn't have enough dignity, and doesn't describe their important role well enough.

To put it in one lady's words, "Whenever I have to say I'm a housewife it makes me feel mousy—and that makes me feel boiling mad, like a lioness. But what can I do? After all, I am just a housewife."

Well, some women are trying to do something about it. They are campaigning to erase the word "housewife" from the American vocabulary and replace it with "homemaker."

Called Inadequate

Among the embattled hausfraus in this case is Mrs. Norma A. Lee of Rutland, Ohio.

"I feel that this name house-

wife is not only a most inadequate one, but that it is actually an unjust one," she wrote. "It has a bad psychological effect."

"Why should not the homemaker have the honor of bearing that dignified name rather than the ordinary one of housewife, for which she so often feels it necessary to apologize?"

The real argument against Mrs. Lee's crusade is that housewife is a natural heart-meaning word to all except snobs, and homemaker is a made-up word.

Title Carries Honor

Too many occupations already are switching to artificial titles that sound a bit ridiculous. Janitors became custodians and now are building superintendents. Bill collectors are credit counselors and garbage collectors sanitary patrolmen. Before long traffic cops will be stationary street safety directors and mailmen will be traveling communications engineers.

A housewife could be called by a lot of titles—childreder, hearthwatcher, matekeeper, heartmater, doghouse supervisor, or paycheck guardian. She could even be called "homewife," although that might raise the question as to whether there was an office wife in the background, too.

But if the annoyed kitchen cuties will take one man's advice—well, instead of fighting against that term housewife, they'll fight for it. It has a lot of heart and history behind it, and no one ever ridiculed it except in envy or ignorance.

In New Zealand, natives wear earrings which are decorated with the teeth of their enemies, according to the Encyclopedia Britannica.

C&NW Will Teach Freight Handling

The C&NW will hold an employee meeting Tuesday April 7 as part of a large-scale educational campaign aimed at reducing loss and damage to freight shipments. The meeting will be held in a coach alongside the general office, 428 First Ave. N.

Railway representatives skillfully freight handling procedures will tour the system lines during the coming month and will be present at the Escanaba meeting, said A. C. Mundy, freight claim agent of the railway.

Charts, slides, printed material and other visual aids including motion pictures will be used to bring better understanding of methods of freight handling to employees, Mundy said. Each phase of shipments will be gone into, from the time a shipment is received by the railroad until delivery.

Northwestern officials who will participate in the meeting are Howard Wetter, supervisor of loss and damage prevention, R. L. Johnson, freight service inspector, and Mundy.

Shippers from the area are invited to attend the meeting.

Attorneys To Hear State Bar President At Iron Mountain

IRON MOUNTAIN — Attorney David Pence, of Pontiac, president of the Michigan State Bar association, will be the principal speaker at the spring quarterly meeting of the 25th Judicial Circuit Bar association, Saturday, March 28, in Iron Mountain.

Invitations have been sent about 80 lawyers in the five counties which make up the 25th circuit—Marquette, Delta, Menominee, Iron and Dickinson.

The conference will be opened at 3 p. m. (CST) in the courthouse, where Waldo McCrea, Marquette attorney, will lead a discussion on public relations.

Former Escanaban Organizes Buglers

Don "Pedro" Pelletier, former Escanaban now living in Sturgeon Bay, Wis., is organizing a drum and bugle corps for junior Odd Fellows in Sturgeon Bay. He organized such a corps for Sturgeon Bay Cub Scouts during World War II, according to the Door County, Wis., Advocate.

Section 1. On the day of any election the polls shall be opened at 7 o'clock in the forenoon and shall be continued open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

George M. Harvey, City Clerk

IT'S FIESTA TIME AT NORM'S!

Yes, folks, we're observing Fiesta Time here . . . and this time it's Coffee Fiesta Time. Come in and win a beautiful percolator by guessing the correct number of beans in the jar. No obligation.

Now when we said Coffee Fiesta . . . we meant just that! **SUNNY MORN COFFEE** is going for **77c** a pound or **3 lbs. for \$2.29**; **WIGWAM COFFEE**, drip or regular, is specially priced at **2 pounds for \$1.79**. And **GOLDEN CUP**, drip or regular, goes for **2 pounds \$1.75**.

Registration is still going for those big Easter Hams to be given away on Good Friday. Register every time you come in. And Be sure to redeem your Good Luck Oleo coupon which will appear in Thursday's Press.

Here are a few grocery items that will really make a difference in your budget: **TUNA FISH**, 5 cans for \$1. **ROYAL GELATIN DESSERT** 3 packages for 23c; **IGA SALAD DRESSING**, full quart, 43c; Old country style **HARDTACK**, 21c a package; **BAKE RITE SHORTENING**, 3 lb. can 79c; **PACKER'S LABEL TOMATO SOUP**, 3 cans 23c; **ENERGY BREAD**, large loaf, 19c; **HOMOGENIZED and PASTEURIZED MILK**, 2 quarts 35c; **KING NUT OLEOMARGARINE**, 5 lbs. \$1.

A couple reminders: This is your Utility Bill pay station. Save a trip to the city hall. See our IGA ad Thursday for more big buys! And be sure to use our large, lighted parking area.

Our butcher has come up with these money - savers: **SIRLOIN or T-BONE STEAK** at 57c; **PORK HOCKS** at 33c; **BEEF POT ROAST** at 39c; **RING BOLOGNA** at 47c; **PORK SAUSAGE**, pound roll 39c; **BEEF SHORT RIBS** at 29c; and **LIVER SAUSAGE** at 39c a pound.

That's all for this week. Drive out, and save!

NORM'S SUPER IGA MARKET

1130 Stephenson Ave.

Gannon Wins Appeal Case

In one of its rare reversals of findings, the Michigan Liquor Control Commission has dismissed the charges of serving beer to minors and minors consuming on the premises against John J. Gannon, of Escanaba, doing business as the Colonial Hotel.

The violations were alleged to have been committed Aug. 23, 1951. A hearing on the charges was held in Escanaba Jan. 29, 1952, after which Gannon was found guilty on both charges. He was fined \$150 and his license was ordered suspended for 10 days.

Following the conviction, Gannon employed Harlan Yelland, Escanaba attorney, to enter an appeal of the convictions and the appeal hearing was held before the full commission in Lansing Feb. 3, 1953.

On March 20 the Commission reversed its findings and ruled that the charges had not been proved and rescinded the order of Aug. 18, 1952, which had found Gannon guilty of the two charges.

C&NW Employees Mark Long Service

Eight Escanabans will soon mark anniversaries signifying long service with the C&NW.

Their occupations have been as varied as locomotive engineer, brakeman, carman, machinist's helper, and conductor.

They have served from 35 to 50 years.

There are the men: Joseph Stern, 420 S. 10th St., locomotive engineer, 50 years; Theo Menard, 207 N. 18th St., brakeman, 40 years; Adolphe Grenier, 220 S. 8th St., conductor, 40 years; Matthew G. Heath, 629 S. 15th St., conductor, 40 years; J. H. Jorgensen, 625 S. 14th St., conductor, 40 years; Alex E. St. Cyr, 1523 8th Ave. S., carman, 35 years; Henry Meunier, 222 N. 12th St., machinist's helper, 30 years; and Oscar O. Pascal, 217 S. 22nd St., engineer, 30 years.

Missouri Waltz Heard For Truman Cruise

LOS ANGELES (AP) — A Cuban band on the dock played "Missouri Waltz" as former President Truman climbed to the bridge of the liner President Cleveland before it sailed late yesterday for Honolulu.

Truman waved from the bridge to the several thousands who witnessed the departure ceremonies.

The Trumans, off on a Hawaiian vacation, will spend much of next month at the Coconut Island estate of Edwin W. Pauley, Los Angeles oilman and Democratic party leader.

NATIONAL GUARDSMEN present arms as Major Ted R. Rink, 5th Army Inspector General, gives a guardsman's rifle detailed examination last night in Co. "C" armory on 23rd St. At left are other officers of the inspecting party. The IG, making his annual inspection, examined the men in ranks last night following an afternoon during which he inspected the company's records. (Daily Press Photo)

Fast Camera Stops Sputter Of A Fuse; Will Record A-Bomb

LOS ALAMOS, N. M. (AP)—Scientists here have slowed the lightning streak of a high explosive fuse to a crawl with a new camera designed to record what happens when an A-bomb cuts loose.

At the rate of 3 1/2 million exposures a second, explosives more powerful than TNT creep sluggishly before this camera's eye.

The new camera, which looks more like a cannon, was developed by a University of California scientist here in the birthplace of the atomic bomb.

Berlyn Brixner, its inventor, says that actually his camera won't take 3 1/2 million exposures a second. That's because it won't hold enough film for an entire second at that astronomical rate.

For practical purposes, it shoots 170 pictures in one 20,000th of a second.

Brixner won't say his camera is the fastest in the world. With typical caution, Los Alamos scientists say they "know of no existing camera approaching its rate of speed."

Nor will Brixner commit himself that the purpose of the camera is atomic research. It was designed, he said, "to take pictures of high explosive phenomena." (Officials say the camera has not yet been used in atomic field tests.)

But a camera as fast as Brixner's leaves most explosives in the lurch. A high explosive fuse of primordially exploding at a rate of 20,000 feet per second was going so slow, the camera was run at only 1,700,000 exposures per second to record it.

The camera couldn't be slung around the neck to snap the family picnic. It takes two men to carry it.

Germans Go Home

BAD REIRHENHALL, Germany (AP)—The last 11 German prisoners of war held in Communist Yugoslavia returned to their home country today. They included two former generals pardoned from death sentences for war crimes.

Two Arraigned In Court Here

An Escanaba youth and a Cornell youth were arraigned on criminal charges at 1:30 this afternoon in the Circuit Court of Judge Glenn W. Jackson.

The state charged Arthur Victorson, 17, Escanaba, with breaking and entering Stephenson's Grocery Store, 301 Ludington St., the night of March 8. Some cash and several cartons of cigarettes were taken.

James Tuyls of Cornell was charged with negligent homicide in the death August 18, 1952 of Donald Rasmusson of Gladstone. Tuyls' car and Rasmusson's motorcycle collided at 2:30 a. m. that day on US-241 between Escanaba and Gladstone.

Victorson entered a plea of guilty. He was not represented by counsel.

Tuyls entered a plea of nolle contendere. Judge Jackson accepted the plea on the condition that as far as the court is concerned disposition will be considered the same as a plea of guilty. He was continued on \$2,500 bond.

Rasmusson's widow has sued Lee A. Wiles, proprietor of Al's Tavern, 1318 Ludington St., for \$53,000 damages in a suit rising out of the fatal accident. Her suit alleges Wiles supplied Tuyls then a minor, with spirituous liquors causing Tuyls' intoxication that night. The suit has not yet come to court.

Wiles was found not guilty of selling Tuyls beer by the Michigan Liquor Control Commission in Lansing earlier this month when the Commission heard charges against Wiles arising out of the same case. The Commission found him not guilty of a violation of state liquor laws. Wiles must still defend himself in civil court against Mrs. Rasmusson's damage suit, however.

County Prosecutor Nicholas Chapek, acting for the State of Michigan, presented the charges against the two youths. Tuyls was represented by Escanaba attorney Wheaton L. Strom.

Briefly Told

Department Manager — Jack Southern, of Clare, Mich., has arrived in Escanaba and has assumed his duties as manager of the men's department of Lauerman's.

Dog Bites Child — Mrs. Anna Kolich, 1608 North Moline Ave., Escanaba, reported to police that her son, William, 5, was bitten by a stray dog. The dog was taken by the police to the local animal hospital for observation for rabies.

Motorists Ticked — Escanaba police have issued traffic tickets to the following motorists: H. D. Abbott, 805 Lake Shore Drive, speeding; I. R. Peterson, 203 South 14th St., failure to yield right of way; Joseph M. Liss, Bark River Rt. 2, disobeying stop sign.

Plant Flooded — About two feet of water in the basement of the Escanaba sewage disposal plant was pumped out yesterday after a fuse blew out Monday night and halted the pump that kept the basement dry. There was no damage except to dampen two electric motors.

In Play Cast — Joan LaFleur was a member of the cast of "Our Town" presented by the Bark River-Harris junior class at the Bark River Town Hall. Miss LaFleur played the part of "Mrs. Soams" with sparkle and her performance was thoroughly enjoyed by the audience.

Wells Meeting — Residents in the Pine Ridge School area will meet with members of the Wells Township School board Thursday, Mar. 26, at 8 p. m., to discuss a proposed \$100,000 bond issue which will partially finance elementary school expansion. The meeting will be held at the Pine Ridge school.

Fire Calls — The Escanaba fire department last evening answered three fire calls, none serious in nature. The first was to 956 Stephenson Avenue, the second to a chimney fire at 1314 North 18th St., and the third to extinguish a

Herbert Nicholson Infant Son Dies

Michael John, new-born son of Mr. and Mrs. Herbert E. Nicholson, 1408 S. 14th St., died yesterday at St. Francis hospital. The baby is survived, in addition to the parents, by a sister, Susan Faye, and the grandparents, Mr. and Mrs. Elmer Wylie and Mr. and Mrs. Elmer Nicholson. The mother is the former Cynthia Wylie.

Funeral services will be held at 10 a. m. Thursday at the Anderson Funeral Home with the Rev. James Bell officiating. Burial will be in Lakeview Cemetery.

Stonington

Happy Owls Club Thursday — STONINGTON — The Happy Owls Home Economics Club will meet Thursday, March 26, at 8 p. m. at the home of Mrs. Art Sundstrom. The project lesson will be "Meals for the Middle Years." Hostesses will be Mrs. Art Sundstrom and Mrs. Ray Sundstrom.

Press fire at the 2100 block Ludington Street. There was no damage.

Detroit Rebuilding Its Schools But Our Problem Is More Acute

ON April 6 Detroit voters will act on a proposal to assess a tax increase of 4 1-2 mills for a school building program. It is anticipated that the Detroit proposal will carry. If it does it will be the second step in a school rebuilding program in Detroit, the first being a 2 1-2 mill tax for

Hawaii Has Case For Statehood

HAVING watched the U. S. House twice before approve a statehood bill to no avail, the people of Hawaii may be forgiven for keeping their fingers crossed this third time.

Senate prospects for the House-endorsed measure must be viewed cautiously. A coalition of northern and southern Democrats seems to be shaping up in opposition and there is no easy assurance of final passage.

There is no point here in cataloguing all the various arguments being raised against Hawaiian statehood. Most are long since familiar, and most appear to have little validity.

Perhaps the least valid is the cry that nothing should be done about Hawaii unless Alaska's case is advanced at the same time.

Political motives may well lie behind Republican delay in handling Democratic Alaska. But there is no irrevocable linking of the two statehood petitions.

Hawaii's bid ought not to be prejudiced by the foot-dragging on Alaska. Hawaii has a population of roughly half a million and an economy sufficiently varied and robust to support state government.

Alaska has a population base of just 100,000 and a much slimmer economic foundation than Hawaii. To be sure, many states made their way into the Union with no stronger position. Yet there may be some merit in holding off at least a while on Alaska.

In any event, Hawaii's case, like any other such appeal, ought to be considered wholly on its own merits. And those appear to be high. The Hawaiian people are ready for statehood. They have requested it innumerable times. They should have it—this year, The Senate's task in the matter is thoroughly clear.

Power With Words

By Dr. C. E. Funk

(Answers to questions of general interest will be published.)
folk, folks—I have been linked by hearing some public speakers, who formerly used "You folks" when addressing an audience, now saying "You folk." They seem to think that the latter is more correct or more "cultured" than the former. What are your views?—L. N. D., Kansas City, Mo.
A few weeks ago I expressed my views emphatically in favor of the use of the salutation, "Dear folks," in a letter to one's relatives, but this question is different. The objection to the plural form arises from the fact that folk, like people, is both singular and plural; one would not say, "You peoples." Hence, though both plural forms, folk and folks, have been in literary use since the fourteenth century, the present trend in formal speech is toward folk as an occasional substitute for people.

Jean—Miss J. M. F. Waco, Tex.—One absolutely personal property possessed by any person is his own name. Along with that is the right to determine how that name shall be pronounced. Therefore, even though the name Jean is usually pronounced as a monosyllable rhyming with Jean, Jean, etc., if you decide that your name shall be pronounced in two syllables—Jo-ANN—your decision will ultimately be observed by your family and friends.

The Doctor Says . . . Take Care to Avoid Exposure To Harmful Lead Products

By EDWIN P. JORDAN, M. D. — Written for NEA Service

Lead poisoning is a most unpleasant affliction. Although industry has done and is doing a fine job in cutting down on the frequency of this form of poisoning, it is still too common, and people should be alert to the dangers.

The most common form of poisoning from leads is of a chronic variety. This results from absorption of lead in small amounts over a fairly long period of time.

The symptoms take various forms. A blue line around the gums is fairly frequent; some paralysis, usually of the arms, and colicky pains in the bowels are by no means rare. Many victims of chronic poisoning complain of headache and frequently show a tendency towards emotional excitement or depression.

Although less frequent, an acute form of lead poisoning is also recognized. This comes only from rapid absorption of large quantities of lead in a poisonous form and results in severe pain in the abdomen, vomiting, colicky cramps and collapse.

In both acute and chronic poisoning the skin usually develops a waxy color, and the red blood cells when examined under the microscope develop a characteristic appearance.

More important than recognizing the symptoms of lead poisoning when they occur is the exercise of care in preventing exposure to lead in harmful forms.

In the past one of the principal dangers has been from paint containing lead. Because this produced so many difficulties, the lead industries agreed a number of

five years enacted in 1949.
The supporters of Detroit schools point out that despite the feverish school building program of the past 10 years—about \$50,000,000 in building contracts—there are still 22,435 elementary school pupils in schools more than 50 years old. They comprise 12.2 percent of the elementary enrollment in Detroit.

It is interesting to note that in Escanaba, where the voters likewise will act April 6 on a proposal for a tax increase for the construction of a new elementary school, four of the five public grade schools in the city are more than 50 years old. The newest, the Webster School, is 41 years old.

We do not have at hand the percentage of local elementary public school pupils who attend grade schools over 50 years old but it must be extremely high since 80% of the schools are more than 50 years old.

The Escanaba bond issue proposal calls for a levy of only three mills and in all probability it will be less than that. Furthermore, the money thus raised can be used solely for school construction. In Detroit a part of the original 2 1-2 mill levy was diverted to maintenance costs and for pay boosts to school teachers.

School officials throughout the state agree that a school building is obsolete after 50 years. We have four such grade schools in the city now and it's about time we do something towards replacing them.

That is the object of the three-mill tax proposal before the voters on April 6. The cost to the average taxpayer in the city will be nominal, \$4.50 to \$9.00 a year. Few people can justifiably say that they cannot afford it.

Other Editorial Comments

CONGRESS COULD HELP (Duluth News Tribune)

Winding up a two weeks look at one alcohol tax official's lively times, Representative Kean (R-N. J.) says the internal revenue bureau allowed political considerations to outweigh the public welfare.

The official, Donald Tydings, appears to have combined, in one person, a remarkable array of practices undesirable in persons serving the government in any capacity, least of all in the alcohol tax division. Yet, for some reason, he retained his job and advanced to a position paying \$8,760 a year.

As an explanation for this mystery some evidence seems to point to the kinship between Donald S. Tydings and Millard E. Tydings, a former senator from Maryland. The two are cousins. Senator Tydings and a few other senators put in a good word for Donald now and then. Representative Kean suspects that these letters from senators had more weight with the internal revenue bureau than did the record of Donald Tydings' shortcomings.

We cannot have responsible government if the national legislature, or any important fraction of it, thinks of itself as a brotherhood devoted to advancing the welfare of its members and their relatives, with other considerations taking a secondary place.

The supply of cousins, nephews, brothers-in-law, grand-dads and other congressional kindred will never be exhausted. Some of them are fine people and good workers, and maybe the government needs them. But blood shouldn't be thick enough to glue any of them to the payroll after he has displayed unfitness to a degree beyond all reasonable doubt.

We can't hear as well after meals as before, according to a doctor. Yell loudly, mother, if you want to wake dad up from that after-dinner snooze.

Merry-Go-Round

By DREW PEARSON

WASHINGTON—If what Senator Tobey calls "the willful group of little men" opposing Chip Bohlen to ambassador to Moscow knew all the facts about him, they probably wouldn't be so vehement in their opposition.

Real fact is that John Foster Dulles, campaigning for Dewey in 1948 and expecting to be the new secretary of state, told friends privately that one of the first things he would do when he took over the State Department would be to "exile" Bohlen. He had in mind a long period of service in some pleasant country such as Guatemala or Tanganyika.

The fact that Dulles is now strong for Bohlen is due first to the fact that he recognizes a man of ability; second, the fact that Bohlen is by all odds the best man to undertake a difficult diplomatic sounding mission with the new Kremlin.

This sounding is a plan for a big three meeting of Eisenhower, Malenkov and Churchill.

Eisenhower has decided that he would be willing to meet Malenkov halfway, preferably in Berlin, in order to discuss peace in Korea and a possible truce in the cold war.

BEHIND BIG 3

The idea for such a meeting has been debated back and forth inside the White House ever since Stalin died. Some advisers have cautioned that the new Kremlin is much more anxious than we are for a truce and that it would be better to wait for them to come to us. Other advisers have urged that Ike leave no stone unturned, should by all means sit down with Malenkov. They believe that even if the Big Three conference gets nowhere it would have two important advantages:

1. Ike would get a chance to size up the new boss of Russia.

2. The new boss of Russia would have an opportunity to get acquainted; to see that we're not as bad as we're made out to be. Malenkov has never been outside the Soviet, knows few westerners, has the reputation of hating Americans.

In addition, political advisers are impatiently reminding the White House that it has now been three months since he went to Korea, and four months since he campaigned on a pledge of doing something definite about Korea. Yet so far nothing definite has been done. They think a meeting with Malenkov would be politically advantageous at this time.

PARADOXICAL BOHLEN

Chip Bohlen is in the paradoxical position of being suspect by the McCarthyites for being a New Dealer, yet the New Dealers never liked him because they suspected he was a reactionary.

A cousin of the famed German munitions-maker, Krupp von Bohlen, he was suspect by some of the people around Roosevelt as not wanting to carve up Germany after the war. More recently he was also suspect by some of the Acheson people because he didn't enter into the battle against McCarthy. Yet it's now McCarthy who's out to smear and defeat him.

Involved in the battle over Bohlen is the fact that John Foster Dulles started his work as Secretary of State by seeking to appease certain senators. One of them was McCarthy. He partially sided with McCarthy during his early Voice of America probe, did not support his own State Department personnel as did Acheson.

He also hired the administrative assistant of Senator Bridges of New Hampshire to be State Department security director. As chairman of the senate appropriations committee, Bridges is one of the most powerful men on Capitol Hill and one whose favor is courted.

However, Dulles is now learning what Acheson learned many years earlier: 1. That you can't appease Senator McCarthy; the more he gets the more he wants; 2. When you hire assistants of senators they sometimes pay more allegiance to their old bosses than to their new bosses.

FBI ON BOHLEN

In the Bohlen case, the FBI was called in to check on a reported incident in his life which may or may not have happened many years ago. The FBI could find no substantiation for it, nor could it find anything serious against his character beyond an occasion when Sherman Billingsley of the Stork Club asked Bohlen to leave the club for repeatedly walking from one side of the dance floor to the other, regardless of dancing couples in his way.

However, word went up to the McCarthy group on Capitol Hill that Bohlen's name had been given as a reference by several State Department officials who were fired. This rained the fire of suspicion and was the chief smear-weapon used against him.

Into The Past

10 YEARS AGO

Treasury—Miss Dorothy Sharp attended the homemaker conference held at Northern Michigan College of Education at Marquette on Friday.

Escanaba—Lt. Gladys D. Windedahl, recruiter for the Woman's Auxiliary Army Corps, will visit Escanaba today to discuss the WAAC program and to interview all women interested in enlisting.

Senex—The Woman's club met Sunday at the Senex hotel with Mrs. Roemer and Mrs. Riorda as hostesses.

20 YEARS AGO

Manistique—Addresses by J. J. Herbert and A. O. Drevdahl featured the business meeting of the Manistique American Legion Post.

Gladstone—In a last minute rally the graduates forced to the front to defeat the undergraduates 19-17 in the final cage battle of the season.

Escanaba—Orders for 18,000 yards of cotton cloth and several carloads of flour to aid Delta county's indigents have been placed by Harold P. Lindsay, secretary of the county Red Cross chapter.

Right now dad can sympathize with mom when she worries about her figure. He's working on his income tax.

Doctors operated on an Illinois boy to remove five marbles. Now, merrily he rolls along.

There is a law against misrepresentation of fur. It's bad enough to skin the animals, let alone the public.

Just the Guy We've Been Looking For

What About Cancer?

Human Cells Hold The Secret In The Long Battle Against Cancer

(Part 2)

By RICHARD KLEINER

NEW YORK (NEA) — Somewhere, buried deep in the human cell, is the secret that is the key to cancer. Until it is found, men, women and children will continue to die of the disease.

Science is attempting to find that secret. But it is handicapped, in its search, because it knows very little about the operation of a normal cell. Before it can learn what goes wrong in a cell, to set off the mushrooming growth that is a cancer, it must first learn more about routine cell functions.

That's why the conquering of cancer will take time. And money. Taking first things first, scientists are currently devoting much work to increasing their broad, general knowledge of the human cell. In this way they're like radio repairmen, who can't attempt to fix a balky set until they first know how a radio operates.

Much of the millions annually spent in cancer research is going for this vital, although preliminary, work. Altogether, the American Cancer Society says, some 1800 scientists are involved in trying to solve the riddle of cancer. Last year, the expenditure for research by all agencies amounted to more than \$15,000,000.

Another basic problem for cancer research is "the test." Doctors and the man in the street alike are dreaming of a great day when there'll be a quick, dependable test, which will detect beginning cancer like a chest X-ray discovers beginning tuberculosis.

Some tests have been announced, but the results, while encouraging, have not yet been universally successful. These have used blood, urine and even skin electricity in their attempts to diagnose cancer. But they've failed to live up to the dreamy expectations for one reason — so far, no one has found that cancer works a basic, measurable change in any human body function.

Those are the patrol skirmishes in the cancer war. But the main action, involving most of the time and money in cancer research, is directed to the actual curing of the disease.

Since the cause is not definitely known, scientists are attacking it from dozens of angles. They are

50-MILLION VOLT X-RADIATION, a possible new weapon against cancer, is controlled by this doughnut-shaped tube being studied by Dr. E. E. Charlton, General Electric's X-ray boss.

Good Evening . . .

By CLINT DUNATHAN

THE BIG SQUEEZE—At Iron Mountain the people are talking about the Fontana brothers and their battle to win a contract to overhaul U. S. Air Force cargo planes.

Joe and Mario Fontana are small business, as such things go—but every business starts small before it becomes big, or fails. The Fontanas want a chance to try; the Air Force is reluctant.

The Fontana School of Aeronautics in Iron Mountain has been training pilots and reconditioning aircraft for several years. It was low bidder on a job to recondition 15 C-82 aircraft for the U. S. Air Force—and then the Air Force switched signals and upped the contract to 68 planes.

It also decided that the Iron Mountain concern was too small to do such a big job, although an original Air Force "task force" had inspected the facilities and reported them adequate.

GETTING A HEARING—The Fontanas took their troubles to their congressman, where they thought they might be able to obtain help in having the Air Force change its mind.

Not one but several representatives responded to their appeal, including Senator Charles E. Potter, Rep. John B. Bennett and Rep. Clare Hoffman, all of Michigan.

The situation rapidly took on all aspects of a first class row and Drew Pearson of the Washington Merry Go Round took up the cudgel in a Sunday column that did not appear in the Escanaba Daily Press.

WHAT PEARSON SAID—Under the heading "Small Business Defender" Pearson penned the following:

Small businessmen usually get the hairy end of the lollipop in Washington, but not always.

Recently, Joe and Mario Fontana, two small businessmen from Iron Mountain, Mich., lost out on the bidding for an Air Force contract and went crying to their Congressman, Clare Hoffman of Michigan. The Congressman promptly ordered his House Investigating Committee to investigate the Air Force for refusing to award the contract to his constituents.

The chief of Air Force procurement, Brig. Gen. Walter Bain, was hauled behind closed doors to explain. He pointed out that the contract was for \$3,500,000, yet the Fontana brothers had made only \$156 profit last year. The Air Force needed 68 giant C-82 cargo planes completely overhauled. Yet the Fontana brothers' total experience in this field was overhauling four small aircraft. Furthermore, their plant consisted of one small hangar and 15 employees.

All that mattered to Hoffman, however, was that the Fontana brothers could bring him votes. So he demanded that the Air Force reopen its bidding and give them another chance.

CASE REOPENED—Pearson may have been right—and he could also be wrong, for the Air Force has decided to give the Fontana brothers another opportunity at the contract.

According to Rep. Bennett, Iron Mountain does have the necessary labor supply and Fontana would use the old Ford Motor Company plant at Iron Mountain for the overhauling work.

The Air Force has promised to give the Fontanas another chance to bid and will resurvey their facilities at Iron Mountain.

ANOTHER VIEWPOINT — My friend Roy W. Carlson of Auburn, Ind., former Escanaba resident, who spotted the Pearson comment, writes as follows:

"Everybody up that way is hollering about what to do for business—here is something that three or four Chambers of Commerce should get together on and not let a Lower Peninsula Economic Advisory committee tell them what to do.

"The Upper Peninsula people should help the Fontanas, otherwise someone will take the business away from your region.

"Everybody is yelling about the need for electric power, yet a business like this is slipping away unless you put up a fight for it. Get more business going and you will have power companies building transmission lines to your communities."

Note: There is no power shortage at Iron Mountain to our knowledge. The electric power problem appears to be that of Escanaba, Gladstone and the Delta county area.

Better Living Cuts Crime In Europe, Except Sex Offenses

LONDON (AP)—Better living and general prosperity have cut down on European crime — except for sex offenses.

An Associated Press survey of 10 nations shows only two—Britain and France — still battling the record crime waves that marked the early years after World War II.

With a peacetime pattern displacing the wartime disruption, such crimes of violence as murder, manslaughter and major assaults are generally on the wane. Thefts and other property offenses are slumping too.

Black Markets Vanish

Black markets, fostered by wartime scarcities of food and other consumer goods, now are near the vanishing point because Europe's stores are full.

Chatham

Miss Keskimäki Is Bride
CHATHAM—Announcement is made by Sam Keskimäki of Eben of the marriage of his daughter, Evelyn Florence, to Bernard Niemi, formerly of Covington, March 7, in Detroit. The bride is a graduate of Rock River High School. The newlyweds are living in Detroit where both are employed.

Briefs

Mr. and Mrs. Charles Maki, Mr. and Mrs. Leo Lammi, Onen Posie and William Rajala returned from a weekend visit in Chicago.

The first robin arrived at the Experiment Station March 22.

Deer Leave Yards

LANSING (AP) — Conservation Department observers reported today that deer are moving out of the yards with the start of the spring breakup in the Upper Peninsula.

There have been no new reports of starvations in the Upper Peninsula.

ELECTION NOTICE

Ford River Township

Notice is hereby given that the biennial Spring Election will be held on Monday, April 6, 1953 at the township hall for the purpose of electing various state and township officers. The polls will be open from 7 a. m. to 8 p. m.

Roland Ekstrom,
Clerk

Trenary

Mrs. Isaac K. Maki left Friday for Detroit where she will visit with her sisters and their families for an indefinite time.

Ed Laurila who is employed in Milwaukee spent the weekend here with his family.

Marvin Kolmorgen of Sauk City, Wis., spent the weekend here visiting relatives and friends.

The Lions board members will meet tonight at the bank at 7:30 for a regular board meeting.

Mr. and Mrs. Clarence Flynn returned home Saturday from Rochester, Minn., where Mr. Flynn underwent surgery. Mr. Flynn will return to the Mayo Clinic for a second operation, in a period of six weeks.

Mr. and Mrs. Leo Girard and Eugene Girard of Little Lake spent Sunday at the George Harris home in North Delta.

Mary Harris of Chicago spent the weekend with her parents, Mr. and Mrs. George Harris.

Mrs. Lee Masse, the former Eileen Trott, accompanied her uncle and aunt Ray Rama, and Mrs. William Rapp, to Detroit to visit with relatives and friends, for an indefinite time.

Mr. and Mrs. Gilbert McNeely and daughter Kathy of Berk River were visitors at the Edmond Ouellette residence Saturday.

Mrs. Edmond Ouellette returned home after a brief visit with friends in Fond du Lac.

Bridal Shower

Mrs. Betty Richmond whose marriage to William Davis will take place April 11, was honored at a personal shower on Saturday evening, March 21 at the

home of her parents, Mr. and Mrs. Frank Richmond. Hostesses for the affair were the Misses Martha Campbell, Ruth Kallio and Dolores Hawley, and Mrs. Eloff Josephson. Games were played with prizes awarded to Mrs. Josie Witon, Mrs. Vance Davis, and Mrs. Andrew Rodgers. Lunch was served to 25 guests.

Field Trip To Marquette

The Senior Class motored to Marquette yesterday morning to visit and tour the Northern Michigan College of Education. They were shown the college through out the morning and were guests

of the school at a noon luncheon and in the afternoon were entertained by the Masquers, college theatrical society, who presented "The Robe". Students who made the trip were Barbara Webber, Joan Lustick, Barbara Knaus, Mary Orava, Shirley Ann Hytinen, Jessie Goodman, Shirley Viou, Dolores Hawley, Loretta Lustick, Richard Rukilla, Waino Kallio, Clarence Taylor, Lila Savola, Shirley Brill and Carl Aho. Supt. W. J. McClintock and Miss Donna Bouley, home economics instructor and class advisor, accompanied the group.

Plane Falls Apart In Air; Four Killed

COLUMBIA, S. C. (AP)—Four Air Force liaison squadron men were killed when their five-place plane fell apart in the air and plunged into a wooded hillside near here last night.

The plane was on a round-trip training flight from Donaldson Air Force Base at Greenville to Shaw Air Force Base at Sumter. It crashed on the return trip.

Ronald Cowart, 14, an eyewitness, said one wing came off and the plane spiraled to earth.

I HAVE TOLD OVER 200 PEOPLE SUFFERING FROM RHEUMATISM--ARTHRITIS ABOUT O-JIB-WA BITTERS

"WHEN I SEE SOMEONE SUFFERING FROM RHEUMATISM OR ARTHRITIS, I ALWAYS TELL THEM TO TRY O-JIB-WA BITTERS, FOR I KNOW WHAT IT CAN DO," says Mr. John T. Cunningham, 526 Court Street, Port Huron.

"Yes sir, I have personally told two years altogether, when one over 200 people about this great day while talking to my druggist, medicine. I never miss the opportunity of O-JIB-WA BITTERS. Well, I was anxious telling those to get better, so started taking it who suffer right away. I took it for a couple from rheuma of months before I could see tism and arth much good from it, but little by ritis how good little, all my aches and pains left O-JIB-WA BIT me. I can do anything now, and TERS is, as I am in wonderful shape for a man know from ex of 75. I want to stress that peo- perience how ple should take it for several one suffer's months if necessary, as in some cases it may take that long. One lady in particu lar that I recom- mended O-JIB-WA to was on crutches, but is now all better after using it. Some people though don't give it half a chance, as they give up too soon. My I am a real believer in herb medicine, and O-JIB-WA BIT- head without pain and my TERS is the best I have ever used. Its no wonder then with the results I got, that when I see anybody suffering with rheu- matism or arthritis that I urge them to try O-JIB-WA BITTERS, and insist that they give it a good fair trial."

Tests Cancelled On Postal Jobs

WASHINGTON (AP)—The Eisenhower administration has cancelled out more than 1,400 examinations for jobs as postmasters, most of them reported to have been won by Democrats.

Postmaster General Summerfield and Chairman Philip Young of the Civil Service Commission, in a joint statement Tuesday night, said new tests to be held will require a higher passing grade and will put some emphasis on business experience "or comparable training."

An administration source, who predicted the move two weeks ago had commented that most of the examinations were won by Democrats. Those who qualified have not actually been appointed postmasters, except in a few cases on a temporary basis.

Republicans eager for federal patronage after 20 years out of national power have been complaining that present lists of persons qualified to be postmasters are made up almost exclusively of Democrats.

Circuit Court Reconvenes Today

A civil suit dating from 1939 held the spotlight in Circuit Court today as the court resumed activity after a month's lapse during which Judge Glenn W. Jackson heard cases in Marquette and Crystal Falls.

The suit is that of Clara Longworth of Menasha, Wis., who is suing Montgomery Ward and Co. Inc. and Glen Westberg for damages. Mrs. Longworth was injured in an auto collision in August 1939. The other car in the collision was allegedly driven by Westberg while on Montgomery Ward business.

Hearing of the case continued this afternoon. Mrs. Longworth is represented by McGinn and Fitzharris and the defendants by Ernest W. Brown.

Jurors are Edith Anderson, Wells; Anna Molloy, Escanaba; Mrs. Ruth Hamilton, Gladstone; Naomi Norden, Baldwin; Anna C. Jacobsen, Bay de Noc; Ernest Fosterling, Maple Ridge; Elda Johnson, Nahma; John Norlin, Wells; Herbert Scheriff Sr., Escanaba; Dorothy Zimmol, Gladstone; Pearl C. Schram, Gladstone and George Pilon, Bark River.

Tulsa Doctor Taken In As Buck Private

OKLAHOMA CITY (AP)—Dr. Robert Anderson to Tulsa yesterday became the state's first physician to be sworn into the Army as a buck private under the current military draft.

An induction center spokesman said Anderson was understood to have declined to accept a reserve commission normally offered doctors up for call.

He was sworn along with a score of other inductees and sent to Ft. Still, where he was not available for comment.

IF YOU HAVE 10 GALS IN A ROW—Mr. and Mrs. Cecil Wood, of Randolph County, Indiana, are mighty proud of their family—10 girls. The couple was married 16 years ago, when Mrs. Wood was 16 years old. Jacqueline, the youngest, born March 6, 1953, is held by her mother. The Woods have a lot of girls. But the record all-girl family (13), apparently is still held by Mr. and Mrs. Lloyd Brooks, both 37, of Waterville, Me.

Queen Mary Dies Peacefully At 85

(Continued From Page One)

stately Marlborough House residence, where she died in London's foggy gloom last night.

"Poor old soul—and she wanted so badly to see her grandchild crowned," murmured another.

Women Weep

A period of official mourning will be announced shortly, probably within 48 hours. It was expected to last only a few weeks.

Funeral arrangements were expected to be announced today.

Men bared their heads and many women wept as the queen's personal standard was lowered slowly over her residence last night.

Some had waited all night through the anxious hours for the posting of the first medical bulletin, at 11:30 a. m. yesterday announcing the queen had suffered a relapse.

Her oldest and dearly loved son, the Duke of Windsor, had been summoned urgently by the doctors for his third call of the day. He arrived at his mother's silk-shrouded bed just nine minutes after she died.

Recognizes Young Queen

Forty-five minutes later, gray and drawn, he left. The duke had rushed to London from a Florida vacation two weeks ago.

Earlier yesterday three generations of the royal family had called to pay their last respects in the darkened room filled with flowers and the mementos of other years.

The old queen was barely conscious when the granddaughter she helped train for Britain's throne, Elizabeth II, stepped quietly to the bedside. But she recognized the young Queen, turned her face and smiled.

Three of the old queen's six children survive her—Windsor, the Princess Royal Mary, Dowager Countess of Harcourt and Duke of Gloucester.

She is survived also by nine grandchildren and three great-grandchildren.

Christened Victoria

During her long life, Queen Mary had seen England fade from its days of 19th century imperial glory under Queen Victoria, through two world wars, into the economic straits and tense uncertainties of the postwar atomic era.

Her long career was punctuated by personal tragedy. Her first fiancé, Prince Edward Duke of Clarence, died in 1891, a little more than a month after their engagement. She subsequently married his brother George.

Their youngest son, Prince John, died in 1919. The death of her husband Jan. 20, 1936, brought widowhood, but within the year she was struck by another tragedy—the abdication of her beloved eldest, Edward VIII, to marry an American divorcee whom Queen Mary never received.

Led Busy Life

With World War II came death crash in 1942. On Feb. 6, 1952, her second son, King George VI, passed away.

Through all the public and private sorrow, the indomitable woman never faltered in her stern devotion to duty.

She was born May 26, 1867, in Kensington Palace, the daughter of the Duke and Duchess of Teck and a great-granddaughter of King George III. Her parents christened her Victoria Mary Augusta Louisa Olga Pauline Claudine Agnes, but she became known as Princess Mary.

After Prince Edward's death of influenza in 1891, he married George in 1893. The death of Victoria, in 1901, and of George's father, Edward VII, in 1910, brought them to the throne.

Loved By Millions

As queen-empress, and later as

THOSE IN UNIFORM

Wilmer G. Hanson, son of Mr. and Mrs. Albin Carlson, 408 S. 14th St., has been promoted from corporal to the rank of sergeant at the United States Army Tropic General Hospital at Honolulu, Hawaii. Mrs. Hanson recently joined her husband overseas.

Hanna Co. Sells Three Ships For \$2,400,000

CLEVELAND (AP)—M. A. Hanna Co., the shipping and iron ore firm, sold three of its ships yesterday for about \$2,400,000.

The Kinsman Transit Co. bought the La Belle, the Midland Steamship Line bought the W. E. Crawford, and the Gardland Steamship Co. bought the Joseph Wood.

Each ship is a product of the American Shipbuilding Co. of Lorain, O. The Crawford, capacity 10,300 tons, is 39 years old. The La Belle and the Wood, each 9,600 tons, are 44 and 43 years old, respectively.

The Midland fleet now has seven boats, the Kinsman six, and the Gardland five. Hanna now has 12 ships.

South Korea General Awarded U. S. Medal

SEOUL (AP)—Lt. Gen. Maxwell D. Taylor yesterday pinned the Distinguished Service Cross on South Korean Maj. Gen. Kim Choy Oh for his personal leadership under intense enemy artillery fire in fierce Chinese assaults on White Horse Mountain last fall.

Kim, now superintendent of the Korean Military Academy, also received the U. S. Legion of Merit in recognition of his leadership of the South Korean 9th Division.

The South Korean 9th Division held White Horse Mountain. In a furious week-long struggle and annihilated two Red divisions.

Salable sheep 2,500; market not established.

Lakes Seamen Ask For Raise

TORONTO (AP)—Great Lakes seamen are asking for a wage increase of \$50 a month and a 40-hour week for this year's navigation season which opens in two weeks, officials of the AFL Seafarers Union said last night.

The union, which represents about 5,000 sailors, held contracts last season with most of the Great Lakes shipping companies. This year, for the first time, the companies are negotiating jointly through a new association, with meetings being held in Montreal, headquarters of the big lines.

Wages in 1952 were \$190 a month for deckhands, \$220 a month for watchmen and \$230 a month for wheelmen.

Woman With Baby Admits Robbing Two Texas Banks

FORT WORTH, Tex. (AP)—A husky blonde 19-year-old mother—admitted baby-carrying robber of two banks—was confined in the U. S. Public Health Service Hospital here today.

Police moved her to the federal hospital as a precautionary measure after sobbing Mrs. Helen Mecke attempted suicide in a city jail cell.

Her infant son beside her, the young woman was captured yesterday by a motorcycle officer Paul T. Vaughn about 30 minutes after the First National Bank in suburban Handley was robbed of \$1,709.

Later, in a hysterical condition she admitted to FBI agents and police that she was "piano legs," the woman bandit who last Nov. 25 robbed the north Fort Worth state bank of \$600.

Police said her husband, A-1 Roy H. Mecke, a native of New York City stationed at Carswell Air Force Base here, apparently knew nothing of his wife's actions.

"Piano Legs" entered the bank just before noon yesterday carrying her baby under her arm.

She stepped up to a woman cashier, shoved a brown sack at her and said, "Fill this sack with tens and twenties, or I'll shoot the baby."

Officers said Mrs. Mecke used the same method in robbing the North Side bank. That was a month before her baby was born, but police said she substituted a doll that time. They said her gun was a toy.

Obituary

MRS. LIDA NYGAARD
Funeral services for Mrs. Lida Nygaard will be held at 2 p. m. Thursday in the chapel of the Anderson Funeral with the Rev. James H. Bell officiating. Burial will be in Gardens of Rest Cemetery. Friends may call at the funeral home beginning this afternoon.

ERICKSON INFANT

Funeral rites for Elenore Marie, infant daughter of Mr. and Mrs. Paul Erickson of Stonington, at 1:30 p. m. Thursday with burial in Lakewood Cemetery. The Rev. Wilbert Johnson will officiate at the services. The body will be removed from the Anderson Funeral Home to the church at noon Thursday.

Agitator For 49th State Of Jefferson Dies From Fall At 89

CRESCENT CITY, Calif. (AP)—John L. Childs, who led an abortive movement to form a 49th state from several isolated counties in Northern California and Southern Oregon, died yesterday of complications resulting from a fall Friday.

Childs, 89, was a prominent figure in the "State of Jefferson" movement. The whole thing was primarily protest designed to win highway improvements in the rugged areas on the state boundaries.

Childs was sworn in as "governor" of the state of Jefferson Dec. 6, 1941. The next day, following the Japanese attack on Pearl Harbor, he dissolved the "state" and called for solidarity in the face of the enemy.

Norway Gives Loan

OSLO, Norway (AP)—Parliament today approved a two million kroner \$300,000 loan to Communist Yugoslavia. The five-year non-interest loan will help Yugoslavia buy margarine, cod liver oil and other Norwegian products.

HIGHEST HONOR—David Harold Gasman, son of Mr. and Mrs. Harold W. Gasman of 615 South 10th St., a freshman at the University of Michigan, has qualified for membership in Phi Eta Sigma, the national freshmen men's academic honor society. It is the highest scholastic honor which can be earned by a freshman at the University. David is an honor graduate of Escanaba Senior High School, Class of 1952.

Red-Dirt Korean Peak Is Scene Of Savage Struggle

(Continued From Page One)

night, the red-dirt peak has been a scene of constant noise, blasts and death.

Started At Night

The Reds were reported taking heavy casualties but so were American and Colombian units of the 7th Division.

A stream of wounded moved to the rear. Helicopters shuttled from front to hospitals and back again.

The U. S. Eighth Army said Red bunkers on the hill were taking a savage pounding.

U. S. B26 light bombers started radar-directed strikes this morning, one every 20 minutes.

The Chinese made their move Monday night along a six-mile strip against the hill-mass west of Chorwon that guards the invasion route to Seoul.

On Pork Chop, T-Bone Hill and other hills the 3,500 Reds were beaten back in the darkness.

Then the battle came to a head at Old Baldy.

Fresh Men Used

U. S. and Colombian troops, fighting heroically, fell back from the top early Tuesday under waves of Chinese.

Reinforcements rushed to the battlefield.

At dawn today, the Americans counterattacked in the fog and smoke of battle. Some were fresh men, moved up during the night in the rain.

Struggling up the muddy hill, they fought some Chinese in the trenches, man against man.

But in the afternoon the coun-

Over 50 Planes In A-Bomb Test

LAS VEGAS, Nev. (AP)—A brilliant atomic explosion was touched off on the Nevada desert this morning with 53 aircraft—including 12 intercontinental B-36 bombers—flying on various missions overhead.

The Atomic Energy Commission's terse announcement about the presence of the planes said only that this was the first time such a large number of aircraft had participated in a test.

The AEC said today's blast was fired from a 300-foot tower on the Yucca Flat proving ground 75 miles from here. There was no hint as to what the missions of the planes might be or where they are based.

Today's shot appeared much brighter here than the one that opened the 1953 spring series last Tuesday. And its coral tinted cloud, which divided as it rose, seemed to ascend much faster.

The AEC did not disclose the energy of today's blast or describe the type of device being tested.

Continuous Premiere

HOLLYWOOD (AP)—Warner Brothers today announced their own answer to television's owl movies.

The studio will premiere its first three-dimensional movie, "House of Wax," next month on a round-the-clock basis.

The premiere will start at midnight April 16 and end 24 hours later. It is believed to be the first such premiere in Hollywood history.

OTTO HAZARD

Population Shows Gain In 38 States

WASHINGTON (AP)—The Census Bureau said today that 38 states and the District of Columbia have increased their population, nine states have lost population and one state remained virtually unchanged.

Of the four main geographical regions of the country, the west, with a gain of 6.8 per cent, ran ahead of the 3.4 per cent average national population increase in the 27 month period.

The bureau said California had the largest population increase from April 1, 1950 to July 1, 1952—804,000. Other states with large numerical increases included Texas, 477,000; New York, 348,000 and Michigan, 337,000.

Six of the nine states that lost population were in the south, two in the northeast and one in the north central region.

Special Education Director Visits Pinecrest, Powers

POWERS - SPALDING — Miss Edith Lindholm, a director in the Special Education Department in Ohio State was a visitor at Pinecrest. Pinecrest is one of the very few hospitals in the country where two methods of shorthand are being taught in class sessions. Because of the large initial expense of books and the extra hours of study and work on the part of the teacher, few school boards and special education teachers will sanction a program of both Speedwriting and Gregg. The Board of Education at Powers-Spalding, Superintendent William Sharon and Special Education Inspector Miss Collins have found very enthusiastic response among the students of both methods. Miss Lindholm is particularly interested in Speedwriting being taught to young people handicapped by cerebral palsy because of the speed and ease with which this method of shorthand can be transcribed.

NEVER USED

The United States built thousands of airplanes for use in World War I, but very few actually were used, since hostilities ceased soon after their construction.

Schaffer

SCHAFER—Pfc. Ronald Hurtulise, son of Mr. and Mrs. Edmond Hurtulise arrived home Saturday evening from Ft. Custer where he was released from service with the U. S. Army. He spent 18 months in Korea and 2 in Japan. He received his training at Ft. Leonard Wood, Mo.

Sgt. Harold Racicot arrived home Thursday from Korea where he served with the U. S. Army the past two years. He received his basic training at Ft. Leonard Wood. He is a son of Mr. and Mrs. Louis Racicot.

Mrs. Henry Seymour is spending a few days in Bloomingdale with Mr. and Mrs. John Stassek.

Mr. and Mrs. Ray LaFave and children of Stambaugh visited Sunday at the Paul Gauthier home.

Mr. and Mrs. Richard Vau and children of Stambaugh visited Sunday at the Paul Gauthier home. Mr. and Mrs. Edward Vau of Milwaukee spent the weekend at the Louis Vau home.

Fern Mellon of Powers visited friends here during the weekend.

Mrs. Ed Meyers has returned from a week's visit in Chicago. She was accompanied by Mr. and Mrs. Wesley Palmgren who are spending a few days here.

Big Sister, 14, Killed In Orphaned Family At Van Buren, Ark.

VAN BUREN, Ark. (AP)—Six small children, who lost their parents in 1948, now are without the 14-year-old "big sister" who has been caring for them.

Wanda Blount was fatally injured Monday when she fell from a moving truck filled with spinach cutters. Sheriff C. E. Bushmier said Wanda and several others were thrown out when the half-ton truck's tailgate collapsed. The others were hurt slightly.

The sheriff said the girl's parents died in 1948. Since then, he said, Wanda has lived with her younger brothers and a sister in a house next door to an older

brother, J. D. Blount, and several blocks away from the home of the children's uncle and guardian, Bill Blount.

The sheriff quoted the guardian as saying last night that "it's possible we'll have to put a couple of the younger children in a home."

Deodorized Skunk Disappears In Hills

HELENA, Mont. (AP)—"Channel No. 5," a deodorized pet skunk, took to the hills after he heard he was booby prize in a charity fund drive.

R. A. Dightman, campaign chairman, sounded a city-wide alarm. "One bad point about losing a deodorized skunk," he said, "is that someone might return a different one."

Seniors At Grand Marais To Present Three Act Comedy

A NEW KIND OF CAR!

New Hudson Super Jet Six-Passenger Four-Door Sedan

Only HUDSON, with the lowest center of gravity among American cars, can handle such tremendous power so safely!

THE Hudson Jet is a compact, economical new kind of car. It provides high-power performance, smart appearance, a marvelous ride, durability and safety.

The Hudson Jet is the first low-priced car with exclusive "step-down" design—which gives it the lowest center of gravity among American cars.

This in turn enables it to safely handle more power in relation to its weight, and provide far greater performance, than has ever been possible in any other car in the low-price field!

Visit us, take the wheel of the Hudson Jet and discover performance, luxury and safety new to the low-price field—or any price field!

SENSATION IN THE LOW-PRICE FIELD!

HUDSON[®] JET

with performance, luxury and safety comparable only to the fabulous Hudson Hornet itself!

Standard trim and other specifications and accessories subject to change without notice.

Funds Wanted For Isle Royale

LANSING (AP)—The State Administrative Board finance committee has asked the attorney general whether it can help provide funds to seek the development of the Isle Royale National Park.

With the support of Upper Peninsula legislators, O. F. Knoebber of Houghton, secretary of the Copper Country Vacationists' League, asked for the transfer of \$5,500 from the Michigan Tourist Council to the governor's study committee for the development of Isle Royale.

Knoebber said the money was needed to finance publication of a brochure for presentation to Congress seeking an appropriation of \$7,600,000 to put into effect the National Park Service master plan for development of the island.

The money also would be used, he said, to finance a governor's conference and a meeting of state promotional and conservation departments of the seven Great Lakes states in support of the project.

Knoebber said the park attracted only 2,830 persons last year because of inadequate housing and transportation facilities.

The finance committee said it doubted whether it could transfer funds from one agency to another but officials indicated there were several possible methods of obtaining the money.

Officers Investigate Four Russian Tangos

SINGAPORE (AP)—Customs officers quickly impounded four records of Russian tangos which had been flown from London by a British doctor.

The doctor explained that they were Russian tangos popular 15 years ago. Grim-faced officers told him regulations demanded a thorough investigation by police of all films, books, newspapers or records in a foreign language.

Spiritual Diary For Lent

Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.—John 3:3.

I see the wrong that round me lies,
I feel the guilt within;
I hear, with groan and travail cries,
The world confess its sin . . .
And thou, O Lord, by whom are seen
Thy creatures as they be,
Forgive me if too close I lean,
My human heart on Thee.

—John Greenleaf Whittier

TODAY'S MESSAGE

There is no better "self" until God has made it so. It is not given to human nature to think the thoughts of peace and purity. History may have changed, but human nature has ever remained the same. Its work has ever been destructive in thought-life and deadening in action. That is due to the presence of sin in our lives.

We must be "born from above" before we can appreciate the good and love it. The "Kingdom of Heaven" must be a state of mind before it can be anything else. If men, by the grace of God, can be made to think new thoughts, and to live new lives, then their tastes will alter, their surroundings will change, and the world may hope for peace.

We need to appreciate this today more than ever. There was never a time when the redemption of human nature was more imperative than it is today. A complete and immediate deliverance from the bondage of sin is the only thing that will keep this age from suicide.

—KARL FREDERICK WETTSTONE

Holy Trinity Presbyterian Church, Philadelphia.

TODAY'S PRAYER

O Lord, our God, in this day of confusion and strife, when other helps fail and comforts flee, may Thy Holy Spirit work in us a miracle of grace, and lead us into newness of life, through Jesus Christ. Amen.

India Educator Goes On Hunger Strike

JHANSI (AP)—An Indian college official succeeded in turning the tables on students.

After 24 had been injured in a

riot at Jhansi Medical College, Vice-Chancellor S. R. Bhagwat announced he would go on a hunger strike. Since students traditionally launch fasts on the slightest pretext, they were now confronted with a passive resistance campaign by a college official.

Indian Tribe Sues Government For Old \$39,000 Claim

KALAMAZOO (AP)—Some 260 kinsmen of the once great Potawatomi Indian tribe today hope to settle a score with the United States dating back to 1838.

The descendants of the Indian tribe which once held power over large sections of Michigan, Indiana, Illinois, and Wisconsin claim the government owes them an additional \$39,000 for land ceded to the United States.

Michael Williams, of South Bend, Ind., present day leader of the Potawatomi tribe, says his people plan to seek the money before a special court established by Congress for such dispute claims.

Chief Williams, and his Council members, says they have an authentic list of the lands, held by the tribe's descendants, which passed into government hands. Chief Williams said the tribe received a partial payment of \$150,000 in 1896. However, he said the \$39,000 was mistakenly sent to another tribe in the far west.

The Potawatomi, according to Williams, were forcibly driven from their land in 1840. Tribe

members were ordered to move to regions west of the Mississippi.

Under the claims act established for Indian Territorial disputes, Chief Williams and his followers have until April 15, 1955, to file their claim in Washington.

Soldiers Faint At Sex Film Showing

KUALA LUMPUR, Malaya (AP)—Tough British jungle fighters fainted but schoolgirls were completely unmoved during showing here recently of the sex education film, "Street Corner."

Since the film began running here, 10 persons—mostly men—have fainted, and been carried out by ambulance men who have been in attendance throughout.

A veteran of the Malayan jungle war said: "My blood drained from my face when I saw the childbirth scene and the caesarian operation."

Patrols Formed By Grand Marais Scouts

GRAND MARAIS—At their last meeting the Grand Marais Boy Scouts selected patrol names and leaders as follows:

Apaches, Patrol Leader, Sam Lambert; members—David Carter, Pohn Hartman, Bob Baynton, Richard Tester, Jim Thorington and Ray Pettipren.

Crows, Patrol Leader, Robert Micks; members—Jim Kropp, Chuck Gauthier, Robin Hicks, Everett Bugg, Danny Hill and Larry Nyman.

Timberwolf, Patrol Leader, Edwin Senecal; members—Pat Wood, David Bailey, Roger Abrahamson, Bill Mixon and Chuck Yilmaki.

Saturday morning all three patrols met with their scoutmasters, Donald Hendricks and Marvin Hansen to receive their sealed orders for a proposed hike. The first set of orders led each patrol to its place of departure where further orders were waiting designating the destination and route of their hike. The Apaches, Crows and Timberwolves, well equipped with snowshoes, food and plenty of enthusiasm and energy arrived at Sable Falls where they enjoyed a few games and cooked their meal. Scoutmaster Marvin Hansen stated the boys are progressing rapidly toward filling their requirements for Tenderfoot.

Briefs
Mr. and Mrs. Axel Newberg were accompanied as far as Detroit by their son, Vernon for a visit there with another son and wife, Mr. and Mrs. Archie Newberg and a possible vacation in Florida.

Mrs. Sayre Ostrander and daughters, Rhea, Dawn and Jacolyn visited with friends in Gwinn over the weekend.

Axel Abrahamson was taken to Detroit for medical treatment.

Mr. and Mrs. Ronald Bianchi and children of Gwinn visited over the weekend at the home of her parents, Mr. and Mrs. John Masse.

Mr. and Mrs. Donald Carpenter of Munising visited Sunday at the home of his mother, Mrs. Andrew Soldsenski.

Burton Masse who has been employed in Detroit, has returned home.

Mrs. Forest Carter and sons, Jim and Brian spent Saturday at the home of her sister and husband, Mr. and Mrs. Alfred Sylvester at Sault Ste. Marie.

William LaCombe was taken back to Little Traverse Hospital in Petoskey for further treatment.

Iran Sells Office Rugs To Raise Cash

TEHRAN, Iran (AP)—Carpets from the floors of government offices which the Mossadegh government ordered sold to produce revenue for the government have been collected and will be put on the market as soon as they are cleaned and mended.

The decree issued by Mossadegh's cabinet provided that no government office in Iran should be carpeted unless it has a dirt floor. Some of the carpets taken from the quarters of government administrators are among the finest examples of Persian artistry. They will be sold on local and foreign markets.

"WRECK" CRASH KILLS 10 IN FAMILY — Clarence Matlock, 33, his wife, five children, his mother and two sisters died when their sedan, top, collided head-on with a trailer-truck near Washington, N. J. Below, rescue workers examine two bodies of the Silver Lake, N. J., family, and two more bodies can be seen in the vehicle. According to the National Safety Council, it is the greatest number of occupants ever killed in a passenger auto. The two occupants of the truck were uninjured. (NEA Telephoto)

Isabella

ISABELLA—Mr. and Mrs. Helmer Nelson entertained several friends Sunday afternoon in honor of their son, Wallace, who was 17 years old. A party lunch was served with the table centered with a white and yellow cake. Present were Mr. and Mrs. Ted Sundin, Mr. and Mrs. Alex Murray, Franklin and Douglas Murray and Esther, Ida, Arthur and Teddy Nelson.

Briefs

Mr. and Mrs. Fred Sundin of Gladstone spent Sunday at the Wendell Sundling home.

Mr. and Mrs. Carl Holmquist of Trenary, Mr. and Mrs. John Kallin and Carmen Mayra of Escanaba and Gust Soderberg and Judith Strom of Danforth were guests of Mr. and Mrs. Arvid Sundin over the weekend.

Mrs. Richard Morrison has returned to Schoolcraft Memorial Hospital, Manistique, for further treatment.

Mr. and Mrs. Alphonse Verchure returned from Englewood, Calif., where they spent the past two months.

Sunday guests of Mr. and Mrs. George Mayo were Mrs. Eva Bes-

ner and Mrs. Emily Gilmet of Manistique.

Mr. and Mrs. Edward Gouin and three sons of Escanaba spent the weekend at the William Neadeau home.

Saturday evening dinner guests of Signe Bonifas to honor her house guests, Mr. and Mrs. Emil Erickson of Rogers City, were Mr. and Mrs. Felix Johnson, Mr. and Mrs. Arvid Sundin, Mr. and Mrs. Harvey Sundin and Gust Soderberg.

Miss Patsy Moberg of Fond du Lac is spending a two weeks' spring vacation at the home of her parents, Mr. and Mrs. Gust Moberg.

Mrs. John Wood and son Donald, and Mrs. Laura Nystrom returned

to Manistique after visiting Mrs. Wood's sister, Mrs. Arvid Sundin. Representative Wood came from Lansing to spend the weekend with his family.

Juvenile Burglars Steal In Montana

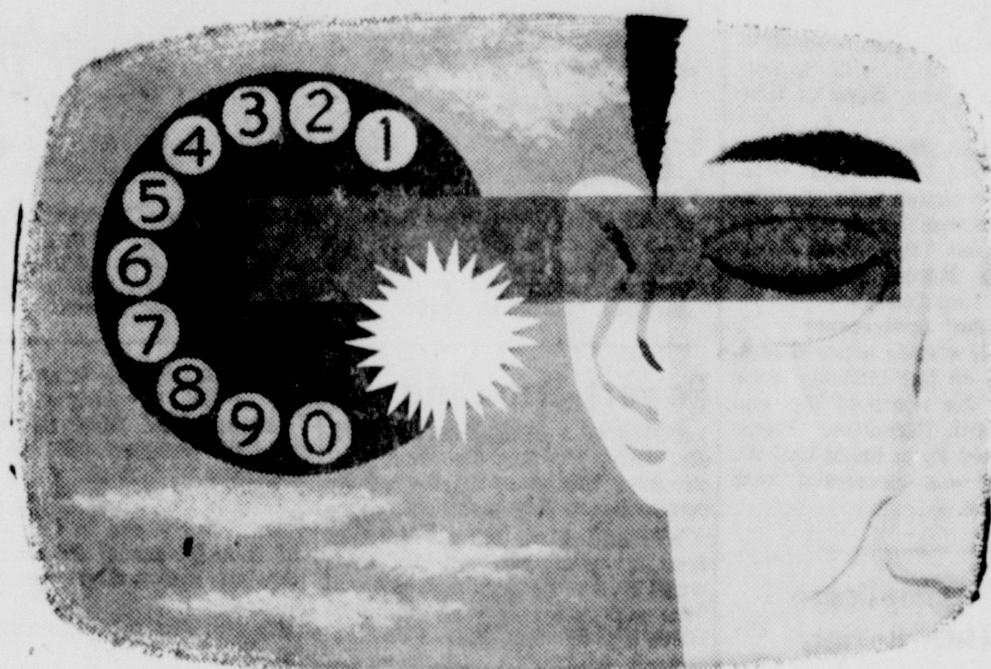

MILES CITY, Mont. (AP)—Police scared off grocery store burglars who left behind \$80, half-eaten rings of bologna and a barrel of salt colored with red ink.

Suspected are two "notorious burglars," aged 11 and 13, who escaped from the State Industrial School. Police said they believed the two were the same one who wrecked a coke machine

and a show case, took small change, candy and gum from a filling station and then broke into a store.

In the store they took \$15 from a cash register which they filled with broken eggs and the wrecked candy machines before frying hamburgers on the grill.

VISITS IN THE DARK

To few people are the blessings of the telephone more apparent than to the blind. We heard a fine tribute expressed recently by Mr. Horace A. Baumgartner of Detroit, who lost his sight 33 years ago.

Some telephone numbers Mr. Baumgartner remembers, but others he keeps handy on cards in Braille, the "raised dot" alphabet of the blind. He punches the dots on cardboard with a tiny metal rod and reads Braille with his fingers.

Of course, he has memorized the telephone dial.

"The world would be a pretty lonely place for me were it not for the telephone," says Mr. Baumgartner. "The many calls I make and receive each day—welcome visits in the dark—keep my life full and happy. It means a lot to know that you're no further away from your friends and loved ones than the telephone."

We can't say it better than that.

Mr. and Mrs. Emil Porath, Mr. and Mrs. Paul Porath and Mrs. Alex Muther visited with Mr. Muther at Pinecrest Sanatorium Saturday. Mr. and Mrs. Fred Kositzky and Mrs. Muther went to Powers to visit him Sunday.

Birthday Anniversary

A group of friends honored Mrs. Emil Klein on her birthday anniversary at the home of Mr. and Mrs. Richard Neumann. Cards were followed by a lunch and the honor guest was presented with birthday gifts.

Women Complicate Man's Hat Buying

NEW YORK (AP)—It takes the average man three minutes to buy a hat. If he is accompanied by a woman, the purchase takes 12 minutes.

The reason a man takes so little time is that he usually has something definite in mind, reports a hat firm (Adam) which made a statistical study. Some other findings:

Complications arise with a male shopper only when a hat is out of stock.

When a woman goes along, she insists her escort try on several. Not only is each hat discussed thoroughly but the man has to try several ways of wearing each one.

Legion Anniversary Observed At Perkins

PERKINS—The American Legion Post and Auxiliary held a party at the Town Hall Sunday evening in observance of the Legion's 34th anniversary. A birthday cake centered the lunch table. The Auxiliary presented the Post with a \$50 donation toward the club house. Arrangements for the party were in charge of Mrs. Adeline Gerou Sr., Auxiliary president, and her committee.

Third Order Meets

The Third Order of St. Francis held a regular meeting Sunday afternoon at St. Joseph's Church. Father Charles Daniel conducted the service of prayer, hymns and Stations of the Cross, followed by Benediction.

Service at Rock

Stations of the Cross will be

held at Sacred Heart Church at Rock this evening at 8:30.

St. Joseph Services

Lenten services will be held at St. Joseph's Church, Perkins, Wednesday at 7:30 p. m. followed by senior choir practice. Stations of the Cross and Benediction will be held Friday at 7:30 p. m. An information period will follow. Confessions will be heard at Sacred Heart Church at Rock Saturday from 3 to 4 and Sunday mass will be at 7 a. m. At St. Joseph's, Perkins, confessions will be heard at 4:15 and from 7 to 8:30 with masses Sunday at 8 and 10.

Frog Monument

Keio University, in Japan, has a granite monument which was erected to the memory of the departed frogs which have contributed their part to scientific research.

New Plastic Fillings Developed For Teeth

NEW YORK (AP)—A new plastic dental filling material that does not need heat to harden and does not dissolve or waste away is said to be the biggest advance in dentistry in half a century.

These plastic materials, known as self-curing or hardening resins, are still in the experimental stage. Dr. George C. Paffenbarger, chief of the American Dental Association research staff at the National Bureau of Standards, says that not since silicate cement was introduced 50 years ago has any material made such an impact on operative dentistry.

One defect of the new substance is that at present it does not have the decay-preventing property of

the silicate cement filling, Dr. Paffenbarger says. Research is underway to remedy this deficiency.

To Get In Hot Water Not Easy In Asia

SAIGON, Indochina (AP)—In torrid Southeast Asia, where the heat is just about the biggest thing in anyone's life, there's one exasperating shortage—hot water.

Even in most of the "first rate" hotels of Singapore, Rangoon, Bangkok, Jakarta, Manila and Saigon there are no hot water taps.

In Indochina, this situation has led to the growth of a new industry—batheries. These are small shops where, for 30 or 40 cents, one can get a quick warm bath or shower. There's a half-hour time limit in most of them, however.

Easter is for rejoicing—all over the world.

Here in the United States much excitement occurs before the big day in the selection of Easter cards and fashionable new finery. The after-church breakfast party, Easter parade, and egg-rolling contests are favorite ways to celebrate. What resourceful American girl would resist these opportunities to lasso compliments on her new Easter bonnet and perky togs?

Sunrise services, popular in Europe, are becoming very popular in America. Many families gather on hilltops at the crack of dawn for services and hymn singing.

North and South, East or West, a spirit of music and pageantry brightens the world at Eastertime. In some foreign lands bonfires, folk dances and torchlight parades commemorate Easter and the coming spring.

Let us glance around the world and see how young people in other lands celebrate.

South of the border, Mexico makes Easter the gayest of all holy days. Young people and grownups shoot off fire crackers. Bullfights, song fests and folk dances are held everywhere. Shop windows are decorated with little sugar lambs, wearing garlands of bright paper flowers.

Spain celebrates the day in much the same manner with holiday feasts and revelry galore. But in Denmark, it is customary to spend Easter quietly at home or visiting one's family and friends. In the British Isles, Easter eggs are exchanged, there is dancing on the village green, and handball is played for a Tansy Cake, a traditional custom.

April in Paris is more than springtime and romance. It is Eastertime splendor as this fashion center works hard to have every seam and hem intact in keeping with the tradition that all should wear new raiment on Easter Sunday.

French youngsters are told that church bells "fly back from Rome" on Easter morning after being silent during Holy Week, bringing bonbons and colored eggs to those who have been good. When they rush outside to see the bells, parents explain: "They've left their sweets and flown away."

Holland begins celebrating Easter on the Eve when young Dutch people march through the streets carrying lighted lanterns on long sticks. Later there is singing and dancing in the market place. Tulips are in bloom and windmills are turning in the breeze as choirs sing Easter hymns.

In Norway and Sweden, out-of-doors Easter services and spectacular ice carnivals are held at mountain resorts. Skiing and skating contests fill the afternoon. Parents and children decorate Easter eggs, and hide them for each other to find.

Passion Plays are presented

Little Girls Wear Navy And White

By GAILE DUGAS
NEA Woman's Editor

NEW YORK—(NEA)—The way your little girl will look on Easter Sunday will be largely determined by the planning that you do now.

What you buy for her to wear in the Easter parade should be determined both by her wardrobe needs and her need to look and feel pretty on this very special, shining day.

While she should have your guidance in her choice of suit or coat, she also should be allowed some preference.

We show here two fashions that would make any girl feel pretty. The navy-and-white wool coat (left) by Bambury can be worn over anything at any time. It has

a modified fullness and is easy to slip on over a suit if the day is chilly. Velvet streamers at the neck are cued to the "choir boy" look of matching check- and straw hat.

Topper (right) in navy-and-white check has slim look with some width at top. Collar and cuffs are in solid blue. This is a coat that a little girl can wear all spring long.

Bureau Drawers Get Organized

By ALICIA HART

Teen-agers, have you ever fished in a bureau drawer for a stocking and come up with a glove; for a slip and come up with a scarf? That wastes precious time in the morning and tends to get your clothing wrinkled and rumpled.

When your drawers are well organized, you can know in the dark exactly which one to open for a particular accessory and exactly what part of the drawer you'll find it in.

You can buy partitioned boxes and bags, lined with chintz or satin, that will keep all your accessories in order. But it's fun

and very worth while to make these things, too. You can cut heavy pieces of cardboard into lengths and widths to exactly fit your bureau drawer.

Sew left-over pieces of fabric from your mother's sewing table on them and your bureau drawers will be pretty as well as practical. Soft material will prevent snags in stockings. And you'll be inspired to keep your accessories clean, mended and pressed at all times.

Keep a sewing kit in a handy place in your room, to catch any slightest rips or tears that you might find. You can make one yourself by lining any attractive little basket that happens to be in the house. This way, all things in the partitions will be ready for use when you want them.

Today's Recipes

Almond Layer Cake

Ingredients: 2½ cups sifted cake flour, 4 teaspoons baking powder, 1 teaspoon salt, ¾ cup shortening (part butter or margarine), 1¼ cups sugar, 2 teaspoons vanilla, 3 eggs, ¾ cup milk, 1 cup finely chopped roasted blanched almonds, whipped cream or boiled frosting.

Method: Grease 2 nine-inch layer cake pans; line bottoms with waxed paper; grease paper. Sift together flour, baking powder and salt. Cream shortening and sugar with vanilla. Beat eggs until thick and lemon-colored and blend in. Add sifted dry ingredients to creamed mixture alternately with milk in 4 additions, beginning and ending with flour. Stir in ½ cup of the almonds. Pour into prepared pans. Bake in moderate (375°F) oven 20 to 25 minutes, or until cake tester inserted in center comes out clean. Cool. Put layers together and cover top and sides with sweetened flavored whipped cream or boiled frosting. Sprinkle remaining ½ cup almonds over top of cake. Makes 10 to 12 servings.

After-school snack for small fry: Have peanut butter at room temperature and mix half a cup of it with a quarter cup of honey, stirring until blended. Make sandwiches of the peanut butter and honey spread and serve with hot coca.

Glaze Ham the Hawaiian Way

HAWAIIAN GLAZE for an Easter ham garnished with pineapple slices is made with brown sugar, pineapple syrup and curry powder.

By GAYNOR MADDOX

From Honolulu comes this novel glaze for the Easter ham. It's different, just as the pineapple-growing Hawaiian Islands are different from the Mainland.

Curry-Glazed Picnic Ham

Hawaii

One cup brown sugar, firmly packed, ¼ cup syrup drained from pineapple slices, ½ teaspoon curry powder.

Mix ingredients together and

baste a 5- to 7-pound picnic ham with the mixture several times during the last half hour of baking. Garnish ham with drained pineapple slices (a No. 1 flat can). Arrange 1 whole slice pineapple in the center of the ham, surrounded by 6 half slices, all fastened with toothpicks.

Note—this can be used on a whole or half ham, a canned ham or a ham slice. The picnic, however, is inexpensive and good

for a small family.

Here's a suggestion from Honolulu for an Easter American menu:

Menu—Curry-glazed ham, Hawaii, scalloped potatoes (let ham and potatoes share the oven), buttered Brussels sprouts (frozen), heated rolls from the bakery, butter or margarine, pascal celery, ripe and green olives, lattice-topped rhubarb pie, coffee, milk.

If you like canned pineapple flavor, then you'll enjoy these cookies.

Pineapple Spice Cookies
(Makes 3 dozen medium-size cookies)

One-half cup shortening (part butter for flavor), ½ cup brown sugar (firmly packed), ½ cup granulated sugar, 1 teaspoon cinnamon, ½ teaspoon nutmeg, ¼ teaspoon cloves, 1 egg, 2/3 cup drained crushed pineapple (a buffet can), 2 cups sifted all-purpose flour, 1 teaspoon baking powder, 1 teaspoon baking soda, 1 teaspoon salt.

Cream shortening, sugars, spices and egg together until thoroughly blended. Stir in drained, crushed pineapple. Sift remaining dry ingredients together into creamed mixture and mix to a moderately soft dough. Drop by teaspoonfuls onto ungreased cookie sheet.

Bake in a preheated moderate oven (375 degrees F.) for 12 to 15 minutes, or until lightly browned. Remove immediately from cookie sheet to wire cake racks to cool.

You Are Cordially Invited

to attend our second

WOMEN'S FINANCE FORUM

a Series of Four Lectures for Women
on Financial Topics

PURPOSE OF MEETINGS

Continuing the course of instruction in financial matters inaugurated with our Women's Finance Forum last year, we are sponsoring another series of meetings arranged to give the women of Escanaba and the surrounding area basic information on a number of subjects of a financial nature and practical answers to problems which may confront them in the handling of their financial affairs.

From the enthusiastic comments received on our first Forum, we are convinced that women are definitely interested in these discussions by leading authorities who are thoroughly experienced in their particular field, and that the information which the speakers have to impart in their lectures and the question-and-answer period following will benefit them in the handling of property or funds under their control.

WHO MAY ATTEND

Any woman interested in money management or financial planning may attend the series of four meetings comprising the Forum. However to assure meetings of the greatest benefit, attendance will be limited to the first 300 registering.

Program

1. WEDNESDAY, APRIL 8

BANK SERVICES FOR WOMEN

4. WEDNESDAY, APRIL 29

PLANNING FOR THE FUTURE

MR. WILLIAM B. MINEHAN
Secretary
Northwestern Mutual Life Insurance Company
Milwaukee, Wisconsin

WHERE AND WHEN

All meetings will be held at St. Joseph's Parish Hall, South 7th Street entrance.

The meetings will be held in two sessions on each of four consecutive Wednesdays, starting April 8. One session will be in the afternoon, opening promptly at 2:30, and the other in the evening, promptly at 7:30. This schedule of two sessions each Wednesday is arranged to allow a choice of attendance at either the afternoon or the evening series.

HOW TO ENROLL

To register for the Forum, just fill in the coupon below and mail it to us, indicating your preference for afternoon or evening meetings and whether you will accept registration in the alternate session if the limit of enrollment has been reached for the one preferred. Tickets will be issued without charge to those enrolled and admission will be by ticket only. Registration must be for the entire series of four meetings.

Escanaba, Mich.

Donna Rudness In Group Entertaining Governor At Dinner

Preparing and serving a meal for the chief executive of the state and his wife is quite an undertaking for students but a group, majoring in home economics at Western Michigan College, Kalamazoo, which included Donna Rudness of Escanaba, accomplished it recently with great success.

Governor and Mrs. G. Mennen Williams were honored at the dinner in the home management house on the WMC campus. Dr. and Mrs. Paul Sangren also were guests.

Miss Opal Stamm is director of the house and the girls residing there, as part of their training, in addition to Miss Rudness, include the Misses Janet Felbert, Judith Evans, Phyllis Teusch and Joan Japigia.

The menu for the evening included hot tomato juice cocktail, baked ham topped with pineapple and apricots, baked potatoes, asparagus with a cheese sauce, fig preserves, molded vegetable salad, lime ice and coffee.

It was a hectic day from the time someone at the college health service called to ask what type of antidote they should prepare for the governor after eating the girls' cooking until the governor arrived a few minutes late. But all went well.

Donna, who is specializing in dietetics is a daughter of Mr. and Mrs. Edward V. Rudness of 1314 12th Ave. S.

Metallic Yarns Are Tarnish-Proof

The at-home fashions, many of them luxurious, have created a need for at-home slippers. This need is met by glitter slippers that range in price from low budget to high luxury. We show here (left) Tahiti-inspired, braid-trimmed metallic slippers edged with fake pearls. Luxurious in the extreme are these thickly jewel-encrusted slippers (upper left center) in glowing fake rubies. Platform soles make them wearable indoors or out. Non-tarnishing metallic slippers (upper right center) are a series of elasticized straps joined to

a center strap that anchors heel and ankle straps. Gold slippers (lower left center) have interesting raised pattern, are set with jewels and cut like a courtier's shoe. Gold and silver braided metallics are combined (lower right center) for lightweight T-strap slippers with small heel. Shell stitched slip-ons (right) fit snugly, come in gold, silver and colors. All slippers shown here are handmade, are in a metallic yarn combined with elastic. Elasticity insures snug fit; yarns will not tarnish.

By GAILE DUGAN
NEA Woman's Editor

NEW YORK (NEA)—Sparkling slippers are the newest addition to the so-called "at-home" clothes. Actually, there have been at-home fashions in some form for many years. But it's only lately that they've assumed such proportions of importance and glitter.

The rhinestones, crystals, bugle beads, pearls and sequins that adorn the at-home separates have traveled on down to the feet. One New York designer, Gustave, has used a metlon elastic to make slippers that are pretty to look at and fun to wear. Some of these are silver or gold; others are in soft pastel shades or vivid reds, blues and greens.

The elasticized metallic yarn of which they're made is non-tarnishing, has enough tensile strength to insure long wear, takes to color beautifully.

These slippers are all handmade and range from simple, soft-soled slippers to luxuriously jewel-encrusted styles that are straight out of the Arabian nights. The fake jewels are rubies, emeralds, topazes or sapphires. Thus, slippers can be color-coded to a costume.

Whether budget or luxury-priced, you can choose slippers with narrow platform soles, if you'd like to wear them indoors and out. Some styles have tiny heels to make them right both for at-home occasions or for party-going. Other styles are meant strictly for casual wear.

spending the weekend with his parents, Mr. and Mrs. Cyril Menard.

John Bellmore is a patient at the St. Joseph-Lloyd hospital in Menominee.

Nick Miketinae of Green Bay spent the weekend with his parents, Mr. and Mrs. Steve Miketinae.

Two Escanaba Students Capped At Wesley Memorial

Two Escanaba students at Wesley Memorial Hospital School of Nursing, Carol Leiper, daughter of Mr. and Mrs. William Leiper, 521 S. 7th St., and Betty Nantell, daughter of Mr. and Mrs. Olyve Nantell, 118 S. 23d St., received their caps at ceremonies held Sunday, March 22, at 3 p. m., at Thorne Hall on the Northwestern University Chicago campus.

Both girls, members of a freshman class of 77, are graduates of Escanaba High School.

Miss Mary E. Cox, president of the Student Nurses' Government Association, presided at the ceremonies. The address was given by the Rev. Karl P. Meister, executive secretary of the Board of Hospital and Homes of the Methodist Church.

Mrs. Leiper and daughter Betty, the Misses Agnes and Elizabeth Leiper and Mrs. Nantell went to Chicago for the ceremonies.

Church Events

St. Stephen's Meetings
The Youth Fellowship of St. Stephen's Episcopal Church will meet Thursday at 7 p. m. Evening prayer and Bible study will follow at 8:15.

Immanuel Groups
Immanuel groups meeting Thursday are the confirmand classes at 4 p. m., the Junior Choir at 5 p. m., and the Senior Choir at 7:15 p. m.

Covenant Lenten Service
A Lenten midweek service will be held at the Ev. Covenant Church Thursday at 7:45 p. m.

Bethany Meetings Thursday
Bethany meetings scheduled for Thursday are: 7th and 8th grade confirmation class at 4:05 p. m.; Chapel Aid meeting at the Chapel at 2:30 p. m. with Mrs. Peter Richter and Mrs. Leonard Erickson, hostesses; church Lenten service at 7:15 p. m. with sermon on "The Fifth Word" and music by the Senior Choir; and Senior Choir practice at 8 p. m.

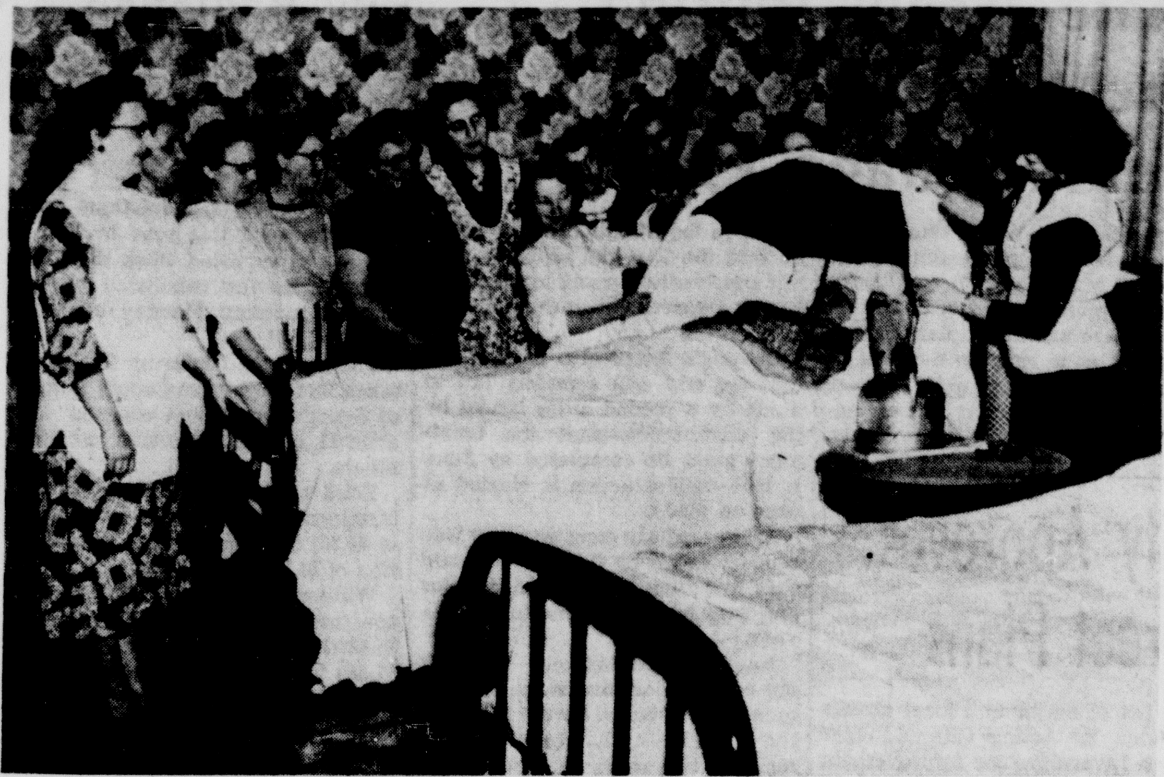

Immanuel Lutheran Aid
The Ladies Aid of Immanuel Lutheran church will meet Thursday at 2:30 in the church basement. Mrs. Arne Arntzen will describe her visit in Japan. Hostesses will be Mrs. Stanley Jefferson, Mrs. Simon Rinkenberger and Mrs. Henry A. Olson.

Births

Mr. and Mrs. Maurice Miller, 1601 Wisconsin Ave., Gladstone, are the parents of a son, Steven Maurice, born at St. Francis hospital March 22. The baby weighed 6 pounds and 14 ounces.

Laurie Christine is the name chosen by Mr. and Mrs. Gustave Klien of Perkins for their daughter, born March 22 at St. Francis hospital. The baby weighed 8 pounds at birth.

When you make sandwiches, butter both pieces of bread before adding a moist filling. The butter will prevent the filling from soaking into the bread.

AN EMERGENCY STEAM INHALATOR is demonstrated by members of the Home Nursing Class who recently completed their course held in the Home Economics Room of Escanaba High School. Left to right are Mrs. Algot Gustafson, Mrs. Harold Petersen, Mrs. Herbert Bergman, Mrs. Walter Pearson, Mrs. Albert Kinnon, Mrs. N. E. Nelson, Mrs. Arne Arntzen,

Mrs. Robert Thorsen, Mrs. Arthur Carlson, Mrs. Rudolph Nelson, Mrs. Gunnar Beck, Mrs. Harold Walk, Miss Viola Salo, instructor, and Mrs. Thomas Mannebach, the "patient." Members of the class not in the picture are Mrs. John F. Bolger, Mrs. Frank Schmitt and Miss Helen Olson. (Escanaba Daily Press Photo)

Arne Johnson New President Of Rock P. T. A.

ROCK—At the regular meeting of the Rock P. T. A. held Monday evening, March 23, Arne Johnson was elected to the office of president. Mrs. Richard Campbell is retiring president.

Other newly elected officers include the following: first vice president, Mrs. Sulo Ruotsala, replacing Mrs. John Jokela; second vice president, Mrs. Reino Niemela, replacing Mrs. Arne Johnson; secretary, Mrs. Osmo Aalto, replacing Mrs. Albert Waldum; treasurer, Victor Mankiewicz, replacing Mrs. Eino Kivela; historian, George Vandembusch, replacing Mrs. Victor Mankiewicz. The new officers for the coming year will be installed at a social meeting which will be held at the Rock High School April 28.

The program for the evening included two cancer films with a short introduction given by Mrs. Walter Mannie.

During the business meeting George Kulack reported that at a meeting of the faculty the purchase of a clock for the first floor hall in the school building and a record player were discussed as worthwhile P. T. A. projects. This was approved by the membership and Mr. Kulack was given full authority to make these purchases. Mr. Kulack was also asked to look into repairs for the playground giant-strides.

Announcements were made of the mental health convention to be held in Escanaba on May 1 and 2 and of the annual Michigan Parent Teacher convention which will be held in Grand Rapids April 28-29-30.

The room attendance award for the evening went to the 5th and 6th grade room. Following the meeting lunch was served by the 5th and 6th grade room mothers.

Rock

Birthday Party

A lovely spring day greeted the 8th birthday anniversary of Laurie Jill Mankiewicz Sunday, March 22. By way of celebration Laurie Jill, with assistance from her sister, Bethyl Lynn, entertained several of her friends during the afternoon. Those attending were Cecilia and Butch Kulack, Robyn Saari, Betty Lou Halmoeja and Bonnie Campbell. Laurie Jill received many nice gifts and as the day drew to a close Laurie's mother, Mrs. Victor Mankiewicz served the children a party lunch topped off with a birthday cake.

Lynn Marie's Party

Lynn Marie Roberts who welcomed her third birthday anniversary on Thursday, March 19, entertained a group of Rock's younger set at the home of her parents, Mr. and Mrs. Sonny Roberts. Those present were Larry Koski, June, Jeanne and Debby Kivela, Susan and Ricky Mikkila and Marilyn Small. Lynn was presented with many lovely gifts from her little friends and everyone feasted happily on the party lunch and treats prepared by Mrs. Roberts.

Briefs

Mr. and Mrs. Reino Niemela and Mr. and Mrs. Asmo Aalto, combining business with pleasure, left this week on a trip to Neenah, Wis., Chicago and Detroit. The two couples plan to be gone for one week.

Mr. and Mrs. Arne Johnson, Mr. and Mrs. Ahti Waak and Leo Kulicki attended the Mutual Service Co-operative annual meeting in St. Paul last week.

Mrs. Ray Watts is visiting with friends and relatives in Detroit. Mrs. Watts also plans to visit in Ohio and in Chicago where her husband is presently employed.

Paul Aho, Mrs. Ted Kamaraminen and daughter Sharon and Mrs. Gust Aho visited with relatives in Detroit during the past week.

Coffee was sold by pharmacists for medicinal use only before modern times.

Personals

Harold Cloutier, a junior at Michigan State College, will arrive today from Lansing to spend the mid-term vacation with his parents, Mr. and Mrs. Albert Cloutier, 520 S. 12th St.

Today's Recipes

Enchilada Casserole

Ingredients: 3 tablespoons fat, 1 cup minced onion, 1 No. 2 can red kidney beans, 1 teaspoon salt, 1/2 teaspoon chili powder, 1 teaspoon kitchen bouquet, 2 tablespoons tomato catsup, 3 cups hot cooked rice, 4 sandwich-size slices processed American cheese, shredded lettuce, sliced fresh or canned drained tomatoes.

Method: Melt fat in skillet; add onion and cook over moderate heat for 5 minutes, stirring often. Meanwhile put beans (including liquid in can) through sieve or food mill, or blend to smooth consistency in electric blender. Mix the bean puree with salt, chili powder, kitchen bouquet and catsup. Place rice in bottoms of 4 individual shallow baking dishes or 1 large one. Spread onion evenly over rice, then top with bean mixture. Place a slice of cheese on each portion. Bake in moderate (375°F) oven until thoroughly hot and cheese is melted and browned—about 20 to 30 minutes. Serve at once with shredded lettuce and fresh or canned tomatoes. Makes 4 servings.

Perfume Is Unquestioned Taste For Office When Chosen Well

By ALICIA HART
NEA Beauty Editor

Women ask over and over whether it's bad taste to wear perfume in an office. Far from being bad taste, it's refreshing to the wearer and all with whom she comes in contact. The important thing is to choose the right scent.

From your collection of perfumes choose the one that's light, elusive and lifting, in a floral or spicy odor, for the office. Reserve the more pungent and complex odors for your dates or use at home.

Have you ever tried a lotion perfume? These are said to have greater cling than the liquid type and for career girls they may have particular appeal. One can combine hand softening and perfume renewal in one operation with the perfume lotions.

A perfumed cotton pellet will make your fragrance longer-lasting than perfume applied directly to the skin.

Before going out in the morning, you might saturate a small piece of cotton with perfume, wait a moment for it to dry, and then tuck it in your bra, pin it to your shoulder pad or tape it to the inside of your skirt. When used on the skin, apply the perfume to the pulse spots.

Loyal Sigfrids Parents Of Twins

Twins, a son and a daughter, were born Tuesday, March 24, at St. Francis Hospital to Mr. and Mrs. Loyal Sigfrids of Stonington. Mark Loyal weighed 8 pounds and 2 1/2 ounces at birth and Mary Helen weighed 5 pounds and 11 ounces. The Sigfrids have four other children, two boys and two girls.

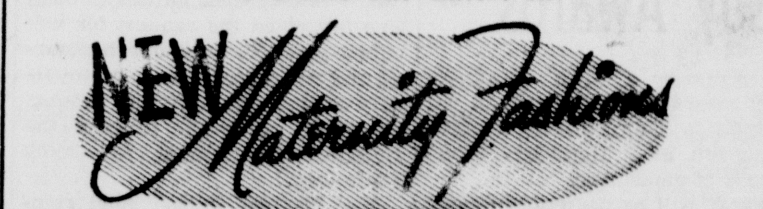

A dustless duster can be made by soaking a cloth for several hours in a solution of hot soap-suds with a few drops of turpentine. Wring it out and use it when dry.

Powers-Spalding Seniors At Guest Day At N. M. C. E.

POWERS - SPALDING — The senior class of Powers-Spalding high school with the advisor Jerry Anzalone was among the senior groups from other schools in the Upper Peninsula who visited the Northern College of Education at Marquette.

After the seniors were welcomed in the general assembly, college students acting as guides accompanied groups of seniors through the various rooms and departments of the college. Lunch was served in Lee Hall. Girls from the dormitories guided the senior girls through the dorms; this was followed by dancing in the ballroom of Lee Hall. After the dancing a play, "The Robe" was presented by the Dramatic club. Comments made by the high school seniors were that the play was very appropriate at this Easter-time and also that the acting was exceptionally good.

Among the college students whom the seniors were especially delighted to see were Delores Presty and Grace Betters of Powers. They also met George Tomasi

and Tony Kabsic of Hermansville.

In discussing the trip, Helen Andrews, editor of the Sundial, stated that she now feels better about going to college; that this trip has acquainted her with Northern and she is most anxious to go. Since Home Economics is to be her major she was especially interested in that department. She feels that these trips and visits stimulate students to want to go to college and is an excellent method to orient them to college life and is a much more influential method than a talk by a college representative before senior groups.

Last week Helen received a beautiful certificate of achievement from the D. A. R. This was a citizenship award.

Pheasant Hits Car

A pheasant flew up into the side of John Henderson's car door. Results: a groggy pheasant... disappointed boys: no pheasant for lunch.

Stricter Visit Control Voted

Stricter control over patient visitors at Schoolcraft Memorial hospital is provided in action taken by the hospital board of trustees at a meeting Monday evening.

Board action provides that all visitors must stop at the lobby desk and procure a card in order to visit a patient.

There will be two cards for each patient and when both cards are out, no one else will be permitted to visit that patient's room, Kenneth Moburg, hospital administrator, said yesterday. As soon as one or both cards are returned, other persons waiting to visit that particular patient will be allowed to go into his room, Moburg declared.

"These new regulations have been adopted for one reason—the welfare of our patient," the hospital administrator said. "During the past few months when our occupancy has been extremely high and we had beds in the corridors almost continually, the thoughtlessness of many visitors has been detrimental to the welfare of a number of our patients."

Visiting hours remain the same: 2:30 to 3:30 in the afternoons and 7 to 8 in the evenings. All visitors have been requested to make their stay as brief as possible, limiting it to 10 or 15 minutes.

Forensics Open Here This Week

A local forensic festival to determine entries for a district forensic event later in Newberry is being held at Manistique high school this week, it was announced yesterday by Marvin Frederickson, speech teacher.

Forensic events were scheduled to begin at 3:30 this afternoon and continue through Thursday and Friday. The schedule of events follows:

Wednesday, declaration and radio speaking.

Thursday, 4 p. m., humorous reading, narrative reading.

Friday, 3:30 p. m., extemporaneous speaking, dramatic dialogue, dramatic monologue, poetry reading.

Twenty-nine students are taking part in the local festival.

Guard Unit Here Inspected Monday

Federal inspection of Company D, 107th Engineer Battalion (Combat), took place Monday at the local armory.

The armory property, including company records and equipment, were inspected during the day and company personnel in the evening. The inspection group included the following men:

Lt. Col. Ronald McDonald, Lansing, division training officer; Lt. Col. Roy Jameson, Lansing, senior army instructor; Lt. Col. Fredrickson, Ishpeming, unit army instructor; Lt. Col. Leonard C. Ward, Escanaba, battalion commander; Maj. Harry G. Beeby, Neenah, assistant personnel officer; Maj. Ted D. Rink, Chicago, Fifth Army assistant inspector-general; Lt. Carl R. Simi, Gulliver, battalion communications officer; and Sgt. 1/c Aloysius R. Sever, Ishpeming, instructing sergeant.

The inspection was the fourth made since the local company was organized.

City Briefs

Gary, 3½ month old son of Mr. and Mrs. Clyde Lyntis, 106 Arbutus Ave., is a patient at the Schoolcraft Memorial Hospital.

Mr. and Mrs. Kenneth Lequia, 507 S. 17th St., Escanaba, are the parents of a daughter, Renee Christine, born March 20 at the Schoolcraft Memorial Hospital. The infant weighed 7 pounds and 5 ounces.

Mr. and Mrs. Roland Gauthier and children, John, Sharon and Neil, and Ronda Casey, of Fayette, visited here Monday with Mr. and Mrs. Chester Winters, 614 Garden Ave.

A daughter, weighing 5 pounds and 7¼ ounces, was born March 23 at the Schoolcraft Memorial Hospital to Mr. and Mrs. Robert Walters, 213 Elm St.

Mr. and Mrs. Chester Winters and Mr. and Mrs. Robert Winkel and family were dinner guests of Mr. and Mrs. William Winkel in Cokes Sunday.

More people get more news from newspapers than from all other sources combined.

Inland Shipping Season Opens Tomorrow; Start Production On Monday

The navigation season at Port Inland, shipping point of Inland Limestone and Stone Company east of Manistique, is scheduled to open tomorrow with the arrival of the E. J. Block for a cargo of flux stone, it is announced by A. W. Heitman, general superintendent of the firm.

The Joe Block will arrive Friday for another load of flux stone. Both cargoes are consigned to Inland Steel Company at Indiana Harbor.

Ice in Inland harbor was broken up last Friday by the Coast Guard cutter Woodbine.

Stone production at Inland's

plant and quarry is scheduled to begin next Monday morning with the recall of approximately 150 men to their jobs. The men will report for work at the 8 a. m. shift. Commencement of production will restore the firm's payroll to its normal operating total of about 400, Heitman said. About 250 men have been on the job through the winter. Winter activities included some shipment of stone by rail.

Women's Club Elects Officers

Presentation of an annual puppet show and election of officers highlighted a regular meeting of the Manistique Women's Club at Lakeside school yesterday afternoon.

The following officers were elected:

President, Mrs. E. J. Thompson; vice president, Mrs. John W. Kelly; recording secretary, Mrs. C. L. Novak; treasurer, Mrs. William Hood; corresponding secretary, Mrs. Richard Rorick; directors, Mrs. Russell Watson and Mrs. A. J. Cayia.

Between 90 and 100 grade children of club members were guests at the puppet show, presented under the direction of the club's puppet committee.

Another presentation of the show will be made at 10:30 a. m. Saturday in Lakeside school. Children of all grades and ages in the community are invited to attend.

Children were served refreshments in the kindergarten room and club members were served from a table uniquely decorated in the Easter theme, with a green table cloth, lavender, yellow and green candles and a bowl of eggs as a centerpiece. The eggs had painted faces and tiny Easter bunnies. Refreshments included assorted cookies and baskets of jelly beans.

On the serving committee were Mrs. Malcolm Nelson, chairman; Mrs. Carl Olson, Mrs. Victor Schuster, Mrs. Roger Smith, Mrs. Jack Ebl, Mrs. Kenneth Van Evck, Mrs. L. E. Wilson, Mrs. Reuben Larson, Mrs. J. L. LeDuc, Mrs. Walter Busch, Mrs. Walter Nelson and Miss Helen Havlichek.

The dinner was served by young people of the Luther League, assisted by a group of ladies, Clarence W. Peterson, director of dartball, officiated as toastmaster. A short business session was held after the dinner at which reports were received and plans made for the 1954 season. It was decided to enter a team in the coming tournament to be held at Escanaba.

Talks were given by Robert Olson, curate, and the Rev. G. A. Herbert. A tournament play-off was held after the banquet.

Banquet proceeds go to the young people to help defray expenses in sending four youths from the church as delegates to the International Youth Conference of Luther Leagues, to be held in Boston June 24 to 28. Five busloads of young people from this area will be going to the conclave. Delegates from Zion church are: Victoria Nelson, Roberta Nelson, Donna Larson, and Elizabeth Nylander.

Men participating in dartball during the past season are:

Coffee Drinkers: Victor Carlson, William Kleinke, Gus Nye, Reuben Larson, Alex Creighton, James Carlson, Henning Mattson.

Lakeside Grocery: Ralph Ekstrom, James Wieland, Edward Jorgenson, Verner Ekstrom, Glen Pawley, Ed Nylander, Omer Dybevik.

Special Deliveries: Carl Wedell, Orlando Ott, Rudolph Larson, Eugene Carlson, Richard Larson, Julius Settergren, Charles Gustafson.

The Cleaners: Floyd Miller, William Howe, Robert Olson, Charles Frans, C. J. Jansen, Franklin Burgess, John B. Nessman, Kenneth Moburg, Robert Broutlier.

The presentation ceremony will be by Mrs. John Vaughan, essay chairman, and Marvin Frederickson high school faculty member, who supervised the contest among high school students.

The department reported Monday on plans disclosed to it by private businessmen, who of course are free to change them. The total ran to 27 billion dollars, compared with 26½ billion in 1952—a record up to that time.

WASHINGTON (AP)—Expenditures for new private plants and equipments in the U. S. during 1953 will top last year's figures by half a billion dollars, under current plans reported by the Department of Commerce.

Council Buys Case Tractor

The bid of Brebner Machinery Company, Marquette, for a Case tractor with Lull loader attachment was accepted by City Council at a regular meeting Monday night.

Cost of the equipment as quoted is \$3,975, with a discount of 1½ per cent for cash in 10 days.

The tractor will be used for sidewalk plowing and various other smaller municipal jobs. Present equipment used for sidewalk plowing will be repaired and held for standby and emergency use.

A letter from Motorola Communications and Electronics, Inc., read at the meeting, stated that production of new model police radios would not get underway until the first week in April.

This will delay shipment of a two-way radio for the city police car, ordered by the council several weeks ago.

No Replies From Truckers

W. A. Moreau, assistant acting city manager, told the council that the Clairmont and Lock City trucking firms had failed to answer a city letter requesting cooperation in solving a local traffic problem caused when large trucking vans unloaded in the town's business areas.

The council decided to wait until its next regular meeting on April 13 before taking further action on the matter.

Letters were ordered dispatched to State Senator William Ellsworth, St. Ignace, and Representative John F. Wood, Manistique, asking them to act for the best interest of Manistique in considering an amendment to the state motor vehicle fund act.

The proposed amendment would reduce Manistique's allocation under the act about \$8,000 annually.

To Engage Electrician

Permission was granted to Peter Babladelis to remodel the front of his building on S. Cedar St.

Engagement of a local electrician to assist in planning westside street lighting rehabilitation was recommended by the council. Presentation of a preliminary report on lighting plans will be made at the next council session.

Permission to sponsor the Skebeck carnival here during the summer was granted to the American Legion.

Oliver Edwards and Henry Powers, who appeared in behalf of the Legion, said that carnival proceeds would be used to help a new Boy Scout Drum and Bugle Corps.

Object To Two Carnivals

No action was taken to allow the Wade shows to appear here also during the summer under auspices of the Manistique Volunteer Firemen's Association. James Shining, who presented the request for volunteer firemen, was told the council did not favor two carnivals here during the summer months but would undertake to help the volunteer department in some other way.

Carl Carlson, cancer fund campaign chairman, told council members of plans for the annual cancer drive in April, requested issuance of a proclamation by the mayor, and asked that the fire department be permitted to sound the siren in mid-April to signal the start of a "lights on" home canvass campaign. Both requests were granted.

Carl Carlson, cancer fund campaign chairman, told council members of plans for the annual cancer drive in April, requested issuance of a proclamation by the mayor, and asked that the fire department be permitted to sound the siren in mid-April to signal the start of a "lights on" home canvass campaign. Both requests were granted.

State Again Putting Pressure On City To Build Sewage Plant

The Michigan Water Resources Commission is again putting pressure on Manistique to get busy with the planning and construction of a sewage treatment plant, it was revealed at a regular meeting of City Council Monday night.

A letter from Loring F. Oeming, chief engineer of the commission,

City Approves Street Plans

A list of major and local streets selected by Acting City Manager Orson Livermore for improvement during 1953 and 1954 was approved by City Council at its meeting Monday night.

The approved list is to be submitted to the Michigan State Highway Department which participates in the cost of improvements through the state motor vehicle fund.

Manistique's allocation from the fund, which last year amounted to \$32,000, must be spent on the basis of 70 per cent for major streets and 30 per cent for local streets, Livermore said. State funds last year were supplemented by \$12,000 in local funds.

Such expenditures, however, must also cover maintenance and equipment in addition to reconstruction, he said.

Major streets designated for improvement in 1953 are Range from US-2 to Arbutus, Arbutus from Cedar to Pearl, and North Houghton avenue from Deer to Wolfe.

Local streets selected for 1953 attention are Intake Road from Alger to the city limits and South Houghton avenue from Deer to Elk.

Major street work contemplated includes seal coating or blacktop on Range, with curbs where needed; new stone base and blacktop on Arbutus with curbs as needed; and stone base, blacktop, curbs, and widening on North Houghton.

Local street work will include stone base on Intake Road and grade and base reconstruction, blacktop, and curb and gutter as needed on South Houghton.

Phase of the program listed for 1954 includes the following:

Major streets—North Mackinac, Deer to Wolfe, curb, stone base, widening, and blacktop; Arbutus, US-2 to Cattaraugus, stone base, blacktop, and curb and gutter where needed.

Local streets—Oak street, Arbutus to Cedar, base, blacktop, curb and gutter where needed; Garden avenue, US-2 to Cattaraugus, grade and base rebuilding, blacktop, curb and gutter where needed; Alger avenue, Bear to Clark, stone base, blacktop, curb and gutter where needed.

Estimated cost of the two-year program, Livermore pointed out, will be \$44,075.55 for major streets and \$22,386.40 for local streets.

Streets in the list which cannot be completed in the two-year period can be included in a subsequent two-year improvement program submitted to the state, he said.

The first American course on plant disease was taught at the University of Illinois by T. J. Burrill in 1873.

During the evening games were played with prizes going to Miss Beverly Winsor and Mrs. Robert Hubble. The special award was given to Miss Adele Gregorash.

Refreshments were served later from a table decorated in the bridal motif. Miss Mattlin received many gifts.

Barbara will become the bride of Douglas Harding March 27 in the Zion Lutheran Church.

Birthday Party

Mrs. Frances Stevens, 80, a patient at the Wendland Convalescent Home for three years, and Mrs. Della Morey, 86, of Schoolcraft Ave., celebrated their birthdays together Tuesday afternoon at the Wendland Home. They have celebrated their birthdays jointly for the past three years.

After a social afternoon ice cream, cake and lunch was served.

called to the attention of the council that the city had failed to submit construction plans to the State Health Department on June 1, 1952, as ordered.

Oeming's letter also pointed out that the city will certainly fail to abide by a second order issued by the commission—that the treatment plant be completed by June 1, 1954—unless action is started at once on plans.

An immediate start on plans was recommended by Oeming who said that they should be submitted for approval not later than July 1 this year.

Failure of Manistique to carry out commission directives, councilmen said, is based on the fact that the municipality has been engaged for over two years in planning the rehabilitation of its water plant, a project that has been assigned priority over all other city needs.

William Hood, city attorney, was instructed to communicate with the Water Resources Commission and again emphasize the importance of the water program compared to the sewage treatment plant. He also was advised to summarize progress being made in getting the water project underway, to state that construction would start this year, and to pledge that the city would undertake the sewage treatment proposal as soon as the water job is finished.

Council members indicated that if the commission really decided to get "tough," it could undertake construction of the sewage treatment plant itself and force the city to pay by withholding state monies.

This the city wishes to avoid, but it also is seeking additional time to get its water project finished before tackling a project as costly as the treatment plant promises to be, councilmen said.

During the evening games were played with prizes going to Miss Beverly Winsor and Mrs. Robert Hubble. The special award was given to Miss Adele Gregorash.

Refreshments were served later from a table decorated in the bridal motif. Miss Mattlin received many gifts.

STATE LAND SALE

NOTICE IS HEREBY GIVEN That pursuant to the provisions of Section 131 of Act 206, P. A. 1893, as amended, state lands in Delta County will be placed on the market by offering same for sale at public auction, Tuesday, April 21, 1953, at 10:00 A. M., E. S. T. 19:00 A. M., C. S. T. in the county courthouse, Iron Mountain, Michigan.

Pursuant to statutes, deeds conveying lands so offered will reserve the following to the State of Michigan: all rights to minerals, coal, oil, gas, sand, gravel, marl, etc., right of ingress, egress over and across lands lying along any watercourse or stream; all rights to aboriginal antiquities, mounds, earthworks, etc.

Pursuant to Section 6, Act 155, P. A. 1937, as amended, any person (former owner) who at the time of the sale had an interest in lands so sold, shall have the right for a period of thirty days after the public auction to meet the highest bid. For this reason, successful bidders at the sale will receive a thirty-day purchase certificate. If the former owner does not redeem, deed will be issued to highest bidder at the expiration of thirty days, or in the event the former owner does redeem, the high bidder will receive a refund of the purchase price. Former owners, under the provisions of this sale, do not acquire mineral rights.

The right is reserved to reject any or all bids.

Further particulars and list of property to be offered are available at the County Treasurer's office at Escanaba, Michigan, Conservation District Headquarters, Escanaba, or Lands Division, Department of Conservation, Lansing, Michigan.

STATE LAND SALE

NOTICE IS HEREBY GIVEN That pursuant to the provisions of Section 131 of Act 206, P. A. 1893, as amended, state lands in Delta County will be placed on the market by offering same for sale at public auction, Tuesday, April 21, 1953, at 10:00 A. M., E. S. T. 19:00 A. M., C. S. T. in the county courthouse, Iron Mountain, Michigan.

Pursuant to statutes, deeds conveying lands so offered will reserve the following to the State of Michigan: all rights to minerals, coal, oil, gas, sand, gravel, marl, etc., right of ingress, egress over and across lands lying along any watercourse or stream; all rights to aboriginal antiquities, mounds, earthworks, etc.

Pursuant to Section 6, Act 155, P. A. 1937, as amended, any person (former owner) who at the time of the sale had an interest in lands so sold, shall have the right for a period of thirty days after the public auction to meet the highest bid. For this reason, successful bidders at the sale will receive a thirty-day purchase certificate. If the former owner does not redeem, deed will be issued to highest bidder at the expiration of thirty days, or in the event the former owner does redeem, the high bidder will receive a refund of the purchase price. Former owners, under the provisions of this sale, do not acquire mineral rights.

The right is reserved to reject any or all bids.

Further particulars and list of property to be offered are available at the County Treasurer's office at Escanaba, Michigan, Conservation District Headquarters, Escanaba, or Lands Division, Department of Conservation, Lansing, Michigan.

Communists Urge Troops To Go Home

SAN FRANCISCO (AP)—The Communists are "distributing" 1953 diaries to U. S. and British troops at the front with such mottoes as "Go home! Don't fill a grave in faraway Korea," says Peiping radio.

The Chinese Communist broadcast heard here did not say how the diaries were being "distributed." Presumably, they are left in front of Allied positions by Chinese Communist patrols.

The Communists even borrowed Shakespeare for this little propaganda stunt. Says Peiping of the diary: "It is capped on the facing page, with Shakespeare's homely advice, 'East or west, home is best!'"

They'll Do It Every Time

Sports Writers Meet Here Saturday, Name All-U.P. Cage Teams

The annual spring meeting of the Upper Peninsula Sports Writers Association will be held at the Delta Hotel in Escanaba Saturday, March 28, with sports scribes from daily and weekly newspapers attending.

The Association will make its annual selection of the all-U. P. basketball teams and will name the outstanding player in the Peninsula and the coach of the year.

All-U. P. players will be selected by class, B, C, D and E, and an all-class team will be named from the four quints. The coach of the year named by the Association will be honored at a dinner by the Gladstone Lions Club on April 9. Coach C. C. Watson of Ishpeming was honored last year.

Sports writers from the following daily newspapers are expected to attend: Ironwood Daily Globe, Houghton Mining Gazette, Soo Evening News, Iron Moun-

tain News, Menominee Herald-Leader, Marquette Mining Journal and the Escanaba Daily Press. Weekly representatives expected are from Munising, Iron River, Wakefield, Crystal Falls and Our Sunday Visitor, Marquette.

Jim Trethewey, sports editor of the Marquette Mining Journal is president of the Association. Ray Crandall, Escanaba Daily Press, is vice president and Hap Rondeau of the Iron Mountain News is secretary-treasurer.

A dinner at the hotel main dining room will close the meeting which is slated to begin at 3 p. m., (EST).

Skinny's Quint Rallies To Nip SunRays In Gold Medal Cage Meet At Hermansville

Results Last Night
CLASS A
Escanaba Skinny's 59, Marquette SunRays 54

CLASS B
Manistique CYO 76, Escanaba Paper Mill 47
Niagara Badgers 59, Eben 50
Menominee Jozwiaks 72, Cooks 63

Games Tonight
Niagara vs. Marquette Bancroft, 7
Manistique CYO vs. Iron River Nassers, 8
Ishpeming Naults vs. Green Bay Linpark, 9
Menominee DAR vs. Wallace

HERMANVILLE — Skinny's Bar stole a lead from the St. Joe Trojans' basketball book last night by coming from far behind to nip the Marquette SunRays 59-54 in Class A competition at the Gold Medal cage tournament here.

All other games last night were in Class B. The Manistique CYO quint opened action with an impressive 76-47 victory over the Escanaba Paper Mill quint. Niagara came from behind in the second half to defeat Eben 59-50. And the Menominee Jozwiaks led all the way in beating Cooks 72-63.

Skinny's traded baskets with the Marquette quint in the first period in which the Escanaba team came out on the short end of a 13-11 score.

Take 37-22 Lead
The SunRays turned in a torrid 24-point second quarter to stretch the margin to 37-22 at the half and it looked like curtains for Skinny's.

But with John Martinac, Pete Kutches and Tom St. Germain directing the attack, Skinny's rallied with 15 points in the third period and narrowed the gap to 46-37 entering the final period.

A blistering attack finally caught the SunRays at 52-52 late in the fourth quarter and from there Skinny's forged ahead 56-

MARQUETTE (Special) — The Calumet Radars captured the coveted Doc Gibson trophy, symbolic of hockey supremacy in the Upper Peninsula, by defeating the Escanaba Hawks three games to one in the best-of-five series for the playoff championship of the Northern Michigan Hockey League.

Calumet had advanced to the finals by ousting the defending champion Portage Lake Pioneers, and Escanaba—playing only its third year in the fast NM circuit—had gained a finals berth for

the first time by eliminating the Marquette Sentinels.

The Hawks, who reached their peak in a sparkling semifinals win over a very tough Marquette sextet, were no match for the speedy Radars here last night in the fourth and what proved to be the deciding game in the championship finals. The score was 10-0.

Calumet Red Hot
Playing before 1,691 fans, which included approximately 300 from Calumet, 400 from Escanaba and a Marquette crowd obviously pulling for a Calumet

win, the Hawks were in the thick of the battle at the outset but faded as the game progressed.

It was a prime example of red-hot team playing an extremely cold one. Calumet, which has improved steadily throughout the season, was never better than it was last night, and Escanaba, which reached its peak in the semifinals series, was never worse than it was last night.

Without the services of three key players—Burt Petaja with an injured shoulder, Buddy Provo working on an ore vessel and Jim Ogle burling in Milwaukee—the hapless Hawks just couldn't make a match of it.

With makeshift lines and weakened defense, the Hawks tried hard as they always have, but they were outclassed by the powerful Radars of whom many fans said last night: "No team in the league could have beat Calumet they way they played this game!"

Mowed 'Em Down
Calumet's veteran line of Owen O'Brien, John Whittaker and Enkku Kemp, its second line of Whitey Juopperi, Merv Paulson and Pete Lehto, its sensational new kid line of Barry-Pavolich-Hill and such able defense stalwarts as Don Nichols, Fred Kesanen and big Kumpulula simply wore the short-handed Hawks down.

As fate would have it—the unfortunate exodus of Ogle, Provo and Petaja—the Hawks actually played the game with only nine men—Ben Artwisch, Ed Brough-ton, Hubert Hamilton, Mark and Ted Olson, Dave Herbinski, Joe Ricci, Len Webster and Clarence Matt—although Bobby Higgins and George Schultz were used sparingly.

Ben Artwisch, Escanaba goalie was kept busy all night and came through with many fine stops, but he couldn't stop them all. Meanwhile, veteran goalie Sollich was practically unbeatable. Every good chance the Hawks had, Sollich came through with a sensational stop to earn his shutout.

For Sollich, incidentally, the shutout win avenged a shutout the Hawks handed him early in the season at Calumet. That 3-0 Escanaba win was the only other

shutout of the NM season, and Sollich was in the nets in place of Jim Kuusisto at that time.

Penalties Hurt
The Radar teamwork, passing and timing were superb last night. They clicked on just about everything they tried. In contrast, the Hawks were off edge and misfired on nearly everything they tried.

The game opened fast and it looked as if a close contest was in order. Eleven minutes and 54 seconds of the first period passed before O'Brien beat Artwisch. Lehto and Barry followed in rapid order, and the rout was underway.

O'Brien scored four goals, Pete Lehto two and Barry, Paulson, Juopperi and Kemp one each. Kesanen snagged three assists and Whittaker two.

Escanaba penalties hurt its chances. Referee Leonard Brumm, of Marquette, tagged the Hawks for eight penalties and Calumet for two. Once in the second period, Ricci drew a slashing penalty and Hamilton a holding infraction in rapid succession while the Hawks already were playing two men short.

Award Trophy
In a brief ceremony after the game, Harold Alholm, of Marquette, NM league president, presented the Gibson trophy to Joe Savini, manager of the Calumet team.

The game marked the close of 1953 season and, despite the one-sided finale, Escanaba's best season since it joined the league in 1950-51.

Summary:
Escanaba—Artwisch, Hamilton, Brough-ton, M. Olson, Serbinski, T. Olson, Matt, Schultz, Ricci, Webster, Anthony, Higgins, Johnson, Calumet—Sollich, Kesanen, Nichols, Whittaker, O'Brien, Kemp, Juopperi, Paulson, P. Lehto, Hill, B. Makolli, Kumpulula, W. Lehto.

First Period
Scoring: O'Brien, 11:54; P. Lehto, 13:36; Barry, 16:24.

Penalties: Kesanen, interference; Matt, elbowing.

Second Period
Scoring: O'Brien (Kesanen, Nichols), 4:32; P. Lehto, 7:25; Paulson (Kesanen, Juopperi), 19:42.

Penalties: Hamilton, holding; Kemp and Matt, roughing; Matt, charging; Ricci, slashing; Hamilton, holding.

Third Period
Scoring: O'Brien (Whittaker), 9:13; O'Brien (Whittaker), 9:36; Juopperi (P. Lehto), 12:00; Kemp (Kesanen), 18:47.

Penalties: Matt, slashing (major); Webster, misconduct.

Stops: Artwisch 17-8-13-38; Sollich 12-6-16-34.

Official attendance, 1,691.

In This Corner

With Ray Crandall

Baseball action is already brewing around the Upper Peninsula and some shifts in long-established league lines are evidently in the making. For instance, the old Northern Wisconsin-Michigan League, which has gravitated around the Iron Mountain area for years, is apparently folding. And the Northern Wisconsin circuit of which Menominee and Marinette were members for many years, is also breaking up. Just how the new leagues will shape up is a question mark at this stage. But there may be a place for the Escanaba Bears in one of the new loops that will be organized.

The Central Michigan College gym at Mt. Pleasant, site of the state tournament quarterfinal basketball games in which the three Upper Peninsula champions were involved, was an ideal location for the event. It is a modern, spacious gym with a vast seating capacity and excellent facilities for fans and players. The quarter-finals drew some 4,200 fans, a good share of them from the Upper Peninsula. Gil Maikenknet, a graduate of Northern Michigan College at Marquette, is publicity director at Central Michigan College.

John Martinac, St. Joe's talented senior guard, almost lost two points in the quarterfinal game played against East Jordan. St. Joe was staging a tremendous spurt to overtake East Jordan in the second period when Dick Cass scored a free throw. Martinac intercepted the East Jordan pass from out of bounds and snapped in a layup, but the official scorer didn't see it. The timer had marked the two points on the lighted scoreboard but was ordered to erase them by the scorer.

Just about everybody in the fieldhouse had Martinac credited with a field goal (including a half a dozen newspaper representatives in the press box) except the official scorer. Even Gail Saxton, East Jordan coach, knew the basket had been scored. The Trojans went on to score a total of 30 points in the period and after some frantic checking the two points by Martinac were entered in the official book. Officials Vance Hiney of Negaunee and John Maddox of Midland gave the scorer a brief lecture on how to keep up with the game.

Two Escanaba Hockey Teams In State Meet

With an eye toward building home town hockey talent for the future, Escanaba will enter two teams in the state junior hockey tournament to be held on Marquette's artificial ice this Friday, Saturday and Sunday. The meet is sponsored by the Michigan Veterans of Foreign Wars under the direction of Eldon Wallace, manager of WDMJ.

Other teams entered are Houghton Juniors, Marquette VFW, Detroit Alloy Steel, Dearborn Bill Daniels, Sault Ste. Marie and Detroit O'Donnell-Blatz.

Play Friday Night
The tourney will open with the Escanaba Junior Hawks, coached by Ted Olson and Bob Grabowski, opposing Houghton at 7:30 Friday evening and will end with the championship finals at 9 Sunday night. All participants and coaches will be housed in a Northern Michigan College of Education dormitory and will breakfast in the college cafeteria. Special arrangements have been made for other meals.

Complete first round pairings follow:
Friday
7:30—Houghton vs. Escanaba Junior Hawks.
9:00—Delta Lions vs. Marquette VFW.

Saturday
7:30—Detroit Steel vs. Dearborn.
9:00—Sault Ste. Marie vs. Detroit O'Donnell-Blatz.

Semifinals: Sunday—2 p. m. and 3:30 p. m. and the consolation finals and championship finals at 7:30 and 9 p. m. Sunday.

Junior Hawks participating will be Bill Buckland, Ed Provo, David Mileski, Dick Johnson, Leon Mileski, Jim Bolm, Wayne Olson, Bob Rodman, Jack Bink, Pat Coyne and Mike Goyermerac.

Another First
The Delta Lions are composed of players from Wells, Gladstone,

Escanaba and Cornell and are managed by William Ferrari, Norman Doucette and Wayne Haddock. Members of the Delta squad are Hugh Ray, Arne Brietzman, Harlan Brietzman, Jerome Doucette, of Wells; Robert Bizeau, Don Peterson, Dwaine LaFave, Charles Smith and Wayne Rajala, of Gladstone; Harlan Pepin, Bob Zitner and Jim LeGault, of Escanaba, and Goalie Bob Mattson, of Cornell.

This will mark the first time Escanaba and Delta County have entered two teams in a state tournament. Last season, the Escanaba Junior Hawks participated in the state juvenile tournament in Sault Ste. Marie. They were slated to enter the same event in the Detroit Olympia this season but because of the great expense involved, the team decided to enter the Marquette event.

Top Figure Skaters Open U. S. Competition

HERSHEY, Pa. (AP)—The United States figure skating competition opened a four-day run today with world champions Tenley Albright and Hayes Alan Jenkins seeking a clean sweep of this year's triple crown of skating. Each won the North American title of their class in Cleveland, O., two weeks ago. The other major crown, the Olympics is not in competition until 1956.

Chief rivals of Miss Albright, a 17-year-old Brookline, Mass., high school senior, are 13-year-old Carol Heiss of New York City and Miss Dean of Detroit, daughter of a General Motors vice-president.

Bobby Layne, Detroit Lion quarterback, holds 15 team passing marks for lifetime, season and single performances. Layne joined the club in 1948.

GIANT — The New York Giants have nicknamed rookie Bill Taylor, 28, The Body, the promising shortstop standing six feet four and weighing 219 pounds with speed and power to match. (NEA Photo)

Buck Coach Picks Yale In NCAA Swim Meet

COLUMBUS, O. (NEA)—Mike Peppe flatly says Yale should win the National Collegiate Athletic Association swimming championship in Ohio State's swanky pool, Mar. 26-27-28.

It's nothing new for a man to pick a rival to win, but it is different in the case of the Ohio State coach.

In the first place, Peppe is an outstanding authority on swimming. He's an animated record book. And when Mike says his team should win—which it does frequently—you can count on the Bucks finishing right up there on top.

If the fellow picked horses the way he does swimming events, he would be a multi-millionaire.

Mike looks for the 1953 NCAA aquatic carnival to be a good one, but as he says: "Yale should win it with Ohio State and Michigan making it mighty, mighty interesting."

A major dent in Ohio State's hopes for an upset, Peppe pointed out, is the probable loss of Ford Kono, the great Hawaiian swimmer. Kono is down with the mumps and, even if he should compete, he is certain not to be in top condition.

He contracted the disease from a fellow Hawaiian teammate, Dick Cleveland. The latter, however, has returned to action.

Last year, Ohio State won top honors in the NCAA meet at Princeton, N. J., with Yale runner-up.

Peppe points out: "We have lost four or five good men by graduation while Yale now boasts of the strongest team in the history of the school."

As Mike sees it, sprinter Jerry Donovan may shift the tide of victory to Yale's favor. Donovan has strengthened the formidable Yale team of last year considerably, in Peppe's opinion.

Oddly enough, the three top squads in the NCAA have a total of 11 members of last year's U. S. Olympic team on their rosters, provided Kono competes.

The Bucks will present five, Yale four and Michigan two,

Red Wings, Canadians Win Playoff Openers

(By The Associated Press)
The Detroit Red Wings and the Montreal Canadiens—the two favorites to fight it out for the title—today were one-up over their rivals in the first round of the Stanley Cup playoffs.

The Red Wings, the defending champions, looked as though they could lick the rest of the league Tuesday night in Detroit when they took the opener of their best-of-seven set against the third-place Boston Bruins, 7-0.

The Canadiens had trouble beating the Chicago Black Hawks, coming from behind to salvage a 3-1 triumph in Montreal.

Both series resume Thursday night.

Sports Mirror

(By The Associated Press)
TODAY A YEAR AGO — St. John's upset Illinois, 61-59, and Kansas whipped Santa Clara, 74-55, in the NCAA basketball semifinals.

FIVE YEARS AGO—The Eastern College Basketball All-Stars, coached by Navy's Ben Carnevale, defeated a Western aggregation, coached by Ed Moose Krause of Notre Dame, 58-47, at Madison Square Garden.

TEN YEARS AGO — Pauline Betz retained her national indoor tennis title, beating Katherine Winthrop, 6-4, 6-1.

TWENTY YEARS AGO—Walter Hagen of Detroit won the \$2,500 Charleston Open Golf Tournament with a 72-hole total of 282.

From 1945 through 1950 the stallion Double Scotch sired horses that won 181 races.

Araujo Will Take On Ranking Lightweight

CLEVELAND (AP)—George Araujo, seeking a shot at the lightweight championship, fights Teddy (Red Top) Davis in tonight's telecast 10 rounder at 9 p. m. (CST).

Araujo, the No. 1 contender for the title now held by Jimmy Carter, never has been stopped. He has won 48, lost two on points and had one draw.

Davis has won 49 bouts, lost 45 and had two draws. He got his name when he had his hair dyed red. Among the lightweights, he is ranked fifth.

FIGHTS LAST NIGHT

Los Angeles—Carlos Chavez, 135, Los Angeles, outpointed Bobby Wye, 132, Los Angeles, 10.
Tampa, Fla.—Danny Nardico, 176, Tampa, knocked out Nash Karaban, 187, Turkey, 1.
Miami Beach, Fla.—Joe Blackwood, 160½, Paterson, N. J., outpointed George Benton, 156, Philadelphia, 10.
Washington—Holly Sims, 156, Washington, stopped Eddie Green, 162, Kansas City, N. C., 9.
White Plains, N. Y.—Richie Reed, 151½, White Plains, knocked out Billy Lepido, 148½, New York, 7.

Spartan Baseball Coach Has Unique Mound Chart

By ROBERT E. VOGES
EAST LANSING (AP) — Coach John Kobs knows exactly what happened to every pitch thrown during the indoor practice of Michigan State's baseball team.

So Kobs has a pretty good line of what can be expected from his pitchers and hitters as the squad takes off for its nine-game spring southern training trip opening Friday against North Carolina at Camp Dejeune, N. C.

Kobs uses an ingenious chart system to keep track of his pitchers.

Chart Each Pitch
Two managers are camped beside the two indoor batting cages to act as umpires.

They work with blocked-off charts, one checking up on the pitcher and the other keeping track of the batter.

When Kobs wants a pitcher to concentrate on curve ball practice, he is ordered to throw 100 pitches. Of these 56 must be curve balls, 32 fast balls and 12 changeup pitches.

In fast ball practice there are

56 fast balls, 82 curves and 12 change-ups.
One of the umpires notes on his chart exactly what happens to each pitch and at the end of the week the charts on each pitcher are totaled, averaged and summarized.

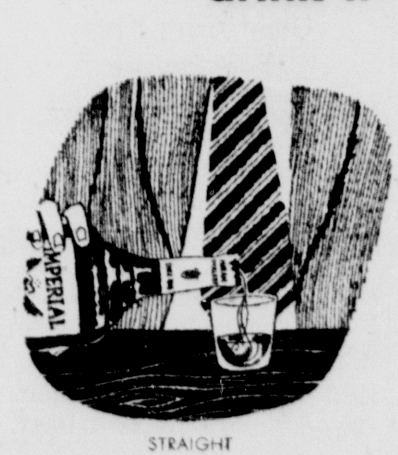

Helps Pitcher Too
"It gave us a good line on what progress the pitcher is making," Kobs said. "The boys like it too—instead of throwing their arms away, they have something to work against."

"It doesn't help the pitcher throw a faster ball or a better curve but it does show him how he's doing and where he can improve himself."

A similar chart is kept on the batter for every pitch, the student umpire noting whether it is a line drive, well hit, topped, popped up, missed, a call strike or a foul.

The veteran MSC baseball coach has been perfecting his chart system since the early 1930's. He's told about it at various college baseball meetings and clinics and a number of other coaches have adopted it.

Homer Production Slips In Three Years

Bosox Plate Power Fading

By BEN OLAN
AP Sports Writer

The Boston Red Sox, not long ago the vaunted power club in the American League, are going in more for defense this season. But their new tactics aren't paying off. The Red Sox were shut out by the New York Yankees, 9-0, yesterday as Ray Scarborough and Bob Kuzava limited them to only four scattered singles. Outfielder Jim Persall, third baseman George Kell and shortstop Milt Bolling were the only Boston players to hit safely.

The Sox now show a mediocre 8-8 exhibition game record.

Best evidence of Boston's decline in the long-distance hitting department is seen in their home run figures over the past three seasons. In 1950, the Sox' sluggers hit 161. In 1951, they slumped to 127 and last year their output was only 113 homers.

Hit Few Homers

So far this spring, Red Sox players have been connected for the circuit only eight times with first baseman Dick Gernert accounting for

three of them. Gernert, with 19, was their top man in 1952, when the club dropped to sixth place.

Besides Gernert, Manager Lou Boudreau can count on only outfielders Hoot Evers and Clyde Vollmer and catcher Sammy White for the occasional long ball. Evers produced 14 homers last year, Vollmer 11 and White 10.

The Milwaukee Braves, the Red Sox' city rivals until last week, fared somewhat better yesterday. The Braves broke open a tie game in the eighth with three runs and added two in the ninth to whip the Philadelphia Athletics, 6-1.

Rookie Don Liddle, Ernie Johnson and Lew Burdette turned in a combined four-hit pitching effort for Milwaukee.

Cards Win 2-1

Young Harvey Haddix hurled

seven scoreless frames as the St. Louis Cardinals edged the Cincinnati Reds, 2-1, at St. Petersburg, Fla. A walk, Red Schoendienst' triple and a long fly accounted for both Cardinal runs in the sixth inning.

A run-scoring single by outfielder Mel Clark with two out in the ninth inning gave the Philadelphia Phillies a 5-4 victory over the Washington Senators. Eddie Yost and Mickey Vernon homered for the Senators while Jack Mayo slammed one for the Phils.

Home runs by pitcher Al Corwin and shortstop Alvin Dark broke a 3-3 tie and provided the New York Giants with a 5-3 triumph over the Chicago White Sox. Right-hander Earl Harritt, recently acquired from the St. Louis Browns, was the victim of both drives. Corwin,

who worked the last four innings, was credited with the win.

Collect 17 Hits

At Tucson, Ariz., the Chicago Cubs pounced on three Browns' pitchers for 17 hits and a 10-7 decision. All St. Louis runs came on homers—by Vic Wertz, Roy Sievers and Bob Elliott. The latter, released by the Giants last fall, is in the Brownie camp on a look-see basis.

Rookie John Podres solidified a Brooklyn starting berth by pitching seven scoreless innings against the Montreal Royals, the Dodgers' farm club. Podres gave up only three hits and his successor, Ron Negray, two in the 3-0 white-washing.

The Cleveland Indians defeated San Diego of the Pacific Coast League, 11-3, in a night game.

Tigers Try Again Today, Sore-Arm Hurlers Slated

LAKELAND, Fla. (P)—The Detroit Tigers went after a touchy question again today—the pitching condition of Righthanders Ned Garver and Art Houtteman.

Manager Fred Hutchinson picked both to work against the Philadelphia Phils in an exhibition game.

On the results would hinge

much of the strategy for at least the immediate future in the spring season program inasmuch as both Garver and Houtteman have been troubled with sore arms.

Rain Causes Trouble

The Tigers came hopefully to the park for another reason. Their last three games have been rained out and they've felt shy on action because of this.

Houtteman's scheduled pitching appearance was his first of the training season. He has had no previous chance because of the bad arm. In recent practice, however, he has been able to throw harder.

Yesterday was an open date for Detroit in the grapefruit league, but the Tigers warmed up on one another.

Home runs were the big dish as the regulars trimmed the yanigans 9-3 in an intra-squad contest.

Hit Four Homers

There were four homers. Rook-

ies John Baumgartner and Carl Linhart hit one each for the regulars. Frank Carswell and Steve Souchock did likewise for the yanigans.

It was a full nine-inning game. The regulars cuffed Ray Herbert and Dave Madison for eight of their runs. Dick Marlowe and Hal Erickson held the yanigans to six hits.

Mat Batts got three hits and Bob Nieman two.

The game was given an old-timers touch at the finish, if Manager Hutchinson can now be put in that category.

Freddie and Coach Ted Lyons each hurled the ninth innings. Lyons didn't allow a hit. Hutchinson, however, gave up two singles and a run.

Pitcher Ted Gray, who thinks bad tonsils might have something to do with his sore arm, has scheduled his tonsillectomy for tomorrow.

Whitfield Heads Big Track Field

CHICAGO (P)—A glittering array of Olympic performers, headed by Mal Whitfield, will be among 250 athletes competing Saturday night in the Chicago Relays, last big indoor track meet of the season.

More than 15,000 fans are expected at Chicago Stadium for the 17th annual event sponsored by the Chicago Daily News.

Whitfield, two-time winner and record holder of the Olympic 800 meter is entered in the 600 and 1,000-yard races.

In the shorter race, which the former Ohio State star has won for the last two years, the 500-meter point on the oval board track will be marked off and manned by timers. A similar arrangement will be made at 800 meters in the 1,000-yard event.

Whitfield thus will have a chance to better four records in the two races.

Other Olympic champions to compete include Bob Richards in the pole vault; Walter Davis, high jump; Harrison Dillard, hurdles and dash; and Horace Ashenfelter, steeplechase winner. Ashenfelter is entered in the two-mile run.

Fred Dwyer of Villanova, winner of eight mile races this season, has the flu and will be unable to compete.

Investigation Of Baseball Is Due

WASHINGTON (P)—The Department of Justice says it is investigating "charges of violation of the antitrust laws in the field of sports"—but is not planning an immediate inquiry into the case of the St. Louis Browns.

The department also said, in a formal statement late yesterday, it has not ordered an immediate investigation of organized baseball.

The statement was issued after two Maryland congressmen wrote to Atty. Gen. Brownell asking him to look into the refusal of the American League club owners to let the St. Louis Browns move to Baltimore. One of them, Rep. Friedel (D), said he had been advised by the attorney general's office that a prompt investigation would be made.

The department acknowledged receiving the letters from Friedel and Rep. Devereux (R), but denied that the attorney general had "ordered an immediate investigation into organized baseball" or into the club owners' action.

Its statement said the representatives "have been advised orally that their protests will be merged for consideration in connection with other charges of violation of the antitrust laws in the field of sports, which have been under investigation for some time."

Marciano Developing Meanness In Ring?

HOLLAND (P)—Can it be that Rocky Marciano is developing some meanness for his defense of his heavyweight championship against Jersey Joe Walcott in Chicago April 10?

Rocky lit into sparring partner Toxie Hall yesterday in a manner to indicate his disposition is on edge.

Toward the close of their second and last round of sparring, Hall stung Rocky. Marciano came back punching. He was flailing away even after the buzzer sounded to end the round.

Former Heavyweight Champion Jim Braddock paid another visit to camp. Braddock has been wavering on a prediction.

"It's going to be a close fight—very close," was as far as he would go.

Hockey

NATIONAL LEAGUE PLAYOFFS
Tuesday's Results
Montreal 3, Chicago 1 Montreal leads, 1-0, best of seven series.
Detroit 7, Boston 0 Detroit leads, 1-0, best of seven series.

No games Wednesday

The University of North Carolina has had three Olympic track team members. They are Harry Williamson, Bill Albans and Chuck Simmons.

New Batting Stance May Solve Rivera's Problem

PHOENIX, Ariz. (P)—Jim Rivera, the Chicago White Sox center fielder, says a new batting style developed this spring may boost his average by about 80 points this season.

"Last season I dropped to .253 after batting .356 in the Pacific Coast League," he explained. "All I think I need this time is to get off to a good start and then I might hit about .335."

Hitting .394 Now

The 31-year-old ball-hawk seems well on his way with a hefty .394 to be among Sox batting leaders in the Grapefruit League.

Manager Paul Richards has always admired Rivera for his baserunning ability and defense play in the outfield. But his bat work was weak against major league pitching in his first year with the White Sox.

THREE OF A KIND—The Philadelphia Athletics are three deep in catchers commencing Spring training drills at West Palm Beach, Fla. Lined up here are, top to bottom, Ray Murray, rookie Neal Watlington and Joe Astroth. (NEA Photo)

Placed on a one-year probation by Commissioner Ford Frick for questionable off-field conduct, Rivera went to camp this spring knowing the White Sox had to carry him through the 1953 season.

Deep In Box

Under the tutelage of Coach Doc Cramer he settled down to try to improve a confused batting style and win the regular center field assignment.

"When I take my stance now, I'm deep in the box with my arms back and my hands over—like I'm ready for a flat swing," Rivera said. "By doing this I can see those inside pitches they were fooling me with last year and I can reach across the plate."

"Also my right arm doesn't come up and block my vision. I can follow the ball all the way in."

Lions To Honor Cagers April 9

Letters will be awarded to all ten members of this year's Gladstone High school basketball team at the annual Lions Club recognition banquet on Thursday, April 9.

Another feature of the banquet program will be the awarding of a trophy to the "Coach of the Year" to be named this Saturday by the Upper Peninsula Sports Writers.

Players scheduled to get letters are Martin Becker Jr., Tom Moreau, Jerry Norick, Duane Peterson, Dick Switzer, Dick Goodman, Lowell LaPlant, Bob Sandstrom, Francis Rabbity and Jack Ebach.

Becker, Moreau, Norick, LaPlant and Rabbity are seniors. The others are juniors, except for Beach who is a sophomore.

Naming of a captain-elect for next fall's quintet is also another feature of the banquet program.

Plan Musicale At Baptist Church

Young people of the First Baptist church of Gladstone are sponsoring a musical program on Thursday evening at 8 in the church auditorium.

The choir of the Bethel Baptist church, Marquette, will render several numbers and there will be selections by a men's group, vocal solos, a guitar and trumpet duet and organ selections by Dr. D. Erickson.

REV. FINKE

The Rev. Arden Finke, Marquette, will be program chairman and will bring a devotional message.

Refreshments will be served by the Ladies' Aid. A free will offering is to be taken. The public is invited.

Fiercest Animal Is Tiny Shrew

PHILADELPHIA (P)—The fiercest animal on earth, says Alan Devoe, writing in "Frontiers," is not the tiger or grizzly bear but the tiny shrew.

Some species of shrew are so small that they come 14 to an ounce. A shrew is so tough it will attack and devour almost any animal up to twice its size and so voracious it eats its own weight in meat every three hours. Without food, it starves to death in less than a day. It dies of old age in about 16 months.

IT'S ATOMIC—Pretty Candy King models a new bathing suit which has the familiar mushrooming clouds of an atomic blast reproduced in white on the upper half of the suit. Candy caused a fashion "explosion" at Las Vegas, Nev., swimming pool.

City Briefs

Mr. and Mrs. Al Ellison and children returned Monday night from Chicago where they spent the past week visiting at the parental home of Mr. Ellison.

Mrs. Ragnar Johnson and Mrs. Thure Holmquist have returned to their homes in Ironwood after spending the weekend at the William Ogren home, 628 N. 9th St. Mrs. Holmquist is a sister of Mrs. Ogren.

Jimmy Sabourin, who recently underwent surgery at St. Francis Hospital, is being dismissed today and will be taken to his home on Dakota avenue to convalesce.

Mr. and Mrs. Otto Anderson of Ironwood visited here over the weekend with the August Andersons, 610 N. 8th St., and with other relatives and friends.

Mr. and Mrs. Knute Olson returned Sunday night from Chicago where they visited for a week with their son-in-law and daughter, Mr. and Mrs. Gale Dixon and children. Over the weekend they attended the wedding of their son Bernard C. and Miss Patricia Ann Dempsey which was held in Grand Rapids on Saturday. Enroute back to Chicago before taking the train they visited in Michigan City, Ind., with Mr. and Mrs. Oscar Fyhrs.
